All-Double Flowering Fringed Petunia "World Beauty" (Original Strain)
(Named and Introduced by the American Bulb Company)

ALL-DOUBLE DE LUXE PETUNIA

(Victorious Strain)

"WORLD BEAUTY"

Produces (from seed) practically 100% large double fringed flowers of the most beautiful rosy carmine color, wonderfully free blooming plants of the dwarf, compact growth which makes this grand new sort particularly desirable for pot plants as well as bedding. "World Beauty" has really created a sensation wherever shown. A few plants in bloom for demonstration to the public early in the season will undoubtedly result in an active and most profitable demand for this new favorite.

For Mother's Day, "World Beauty" has proved to be an ideal pot plant and a worth-while profit provider. We introduced "World Beauty" to the trade and are again securing our seed supply from the originator, thereby insuring our customers the true variety. Sow seed early and follow with successive plantings up to March 1st next. We say by all means if you culture Petunias, do not leave "World Beauty" off your list. It is unquestionably the "last word" in Double Petunias. (Illustrated opposite.)

Price of "World Beauty" Seed, Original Strain—

500 seeds....	\$1.25	1000 seeds....	\$2.00
3000 seeds....	\$5.00	1/64 oz.....	\$6.50
1/32 oz.....	\$12.50	1/16 oz.....	\$22.50

PETUNIA

"A. B. C. PRIVATE STOCK"
(ERIKSSON STRAIN)

(Illustrated Opposite)

Single Large Flowering Dwarf Fringed and Ruffled Mixed — "The Single Petunia De Luxe"

Produced under glass by that eminent florist-grower, Mr. Ernst Eriksson, of Riverside, Illinois (originator of Primula Malacoides Eriksoni), this improved strain of hand-pollinated large flowering dwarf Petunias is in our estimation the choicest and finest of this type available. It is excellent for pot plants, porch and window boxes, and for bedding. Tr. Pkt. (1,000 seeds).....

Tr. Pkt. (1,000 seeds).....	\$1.25
1/32 oz.....	\$4.00
1/16 oz.....	\$8.00

1/4 oz.....	\$28.00

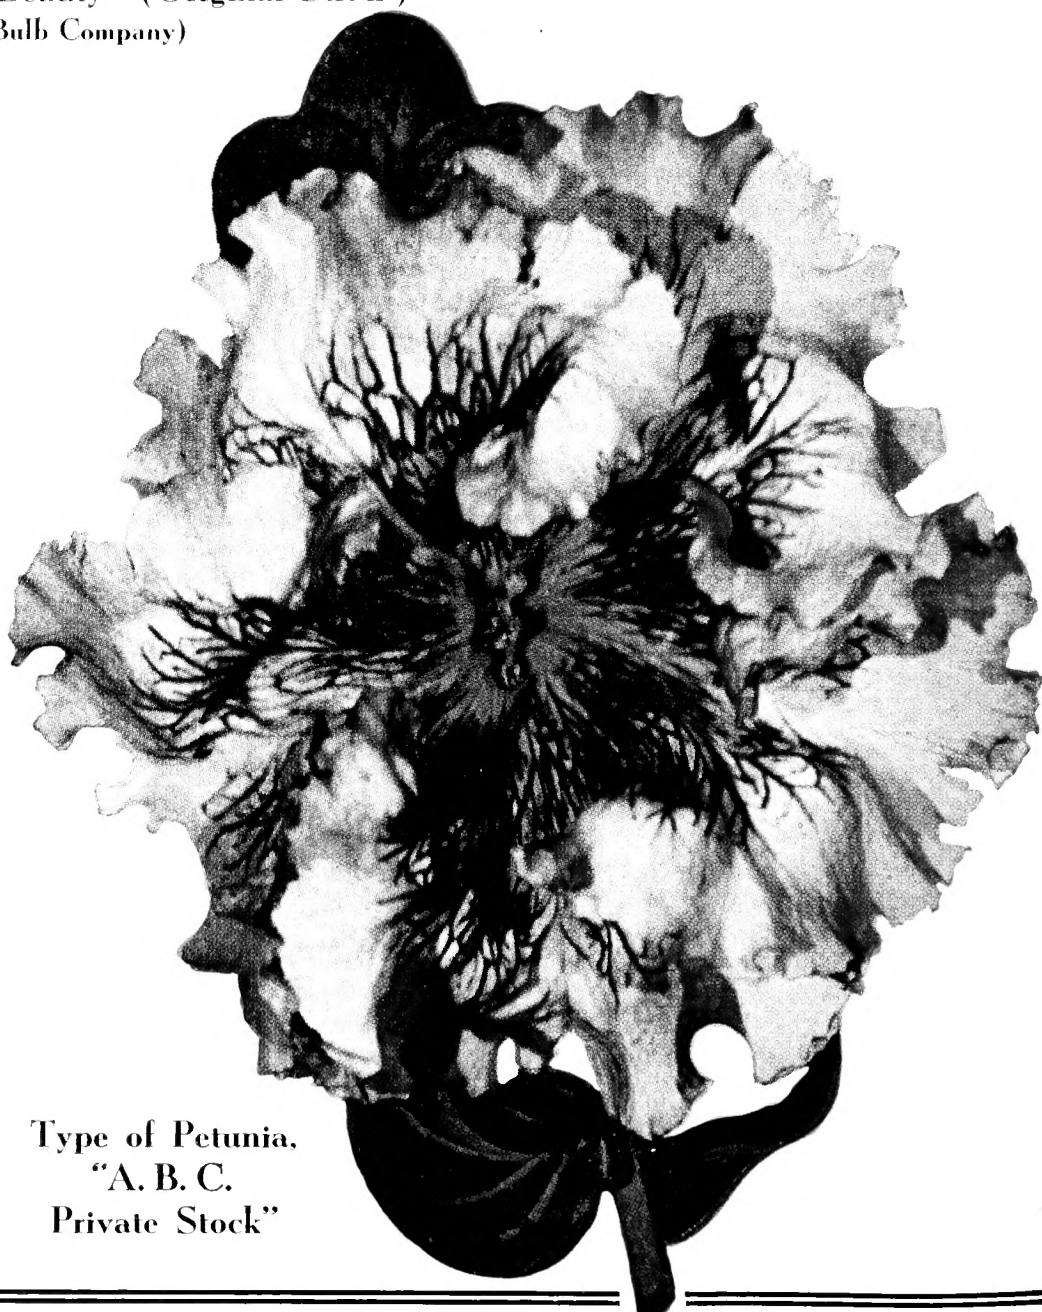

GLOW

The Silver Medal Petunia
(See Illustration on Front Cover)

A dwarf, compact, ball-shaped variety, Hybrida Nana Compacta, of bright rose-red with lighter throat. Extremely free-flowering all season, of rich coloring, true, and a wonderful variety for garden and commercial uses. (Awarded silver medal by All-America Seed Council.)

Tr. Pkt.....	75c	1/32 oz.....	\$2.50
1/16 oz.....	\$4.50	1/8 oz.....	\$8.00

Patronage Justified by Performance

AT ALL TIMES we strive to justify the confidence of our patrons by strict adherence to these policies: *i. e.*, QUALITY, SERVICE and ALL-AROUND FAIR TREATMENT.

There is no substitute for experience. Our twenty-four years of continued activity in connection with supplying FLORISTS, NURSERYMEN and SEEDSMEN suggests, we believe, that you will be well repaid for any consideration extended to us for our respective lines. Our prices are based on the finest grade of stocks that experience and conscientious endeavor can produce. And will, we believe, be found to conform to fair market values.

We extend best wishes for the New Year, and sincerely hope that your business will be brisk and remunerative during the present year.

Awaiting your valued commands.

Yours faithfully,

AMERICAN BULB COMPANY,

A. MILLER, President

BEN MILLER, Vice-President

J. J. KARINS, Vice-President

A. L. KOEHLER, Secy-Treas.

AMERICAN BULB COMPANY

31 WEST 27TH STREET  NEW YORK CITY • N. Y.

Please send orders from this list to our New York Office

TERMS OF BUSINESS

Routing: Please give explicit shipping directions with each order, giving name of Freight, Express and Post Office stations. If no directions are given, we will use our best judgment, but all goods travel at purchaser's risk.

Parcel Post: We will be pleased to send such items as can be mailed by Parcel Post; customers to remit for postage. We do not deliver any goods free at Wholesale Prices.

Disclaimer: The American Bulb Company gives no warranty, express or implied, as to description, quality, productiveness or any other matter of any seeds (bulbs or plants) it sells and will not be responsible for the crop.

If the customer does not accept the goods on above terms, he must return them at once, and money will be refunded or proper credit given. We exercise, however, the greatest care to fill our orders with the highest quality possible, as it is our constant aim to give our customers fullest satisfaction.

Cash Discounts: Cash with order only. 5% on Flower and Vegetable Seeds; 3% on Bulbs; 2% on Plants.

Otherwise, on bills for Flower and Vegetable Seeds, Bulbs, and Plants, a discount of 2% for payment 10 days from date of bill may be deducted. Exception to the above is taken when goods are supplied under special quotation, in which case particular terms will be noted.

Prices: This list cancels all previous offers.

Unknown correspondents desiring to open an account will please furnish three references to parties in the trade with whom they have had credit relations, and sufficient time to investigate same; otherwise cash must accompany order.

Goods desired C. O. D. must be accompanied by a partial remittance to guarantee acceptance. We cannot arrange to send perishable stock C. O. D.

All goods are offered subject to crop failures, shortages or other causes beyond our control and to being unsold on receipt of order, and we reserve the right to advance prices without notice.

TIME TO SOW AND CULTURAL HINTS

The following information will, we hope, prove of assistance to growers, primarily as a reminder of when to sow Flower Seeds of most important kinds, likewise a few suggestions as to culture of same. See alphabetically arranged list in this book for details and prices with regard to the respective sorts.

(A) indicates Annual; (B) indicates Biennial; (P) indicates Perennial.

SEEDS TO SOW IN JANUARY

Acroclinium (for cutting)
Agatheia (for cutting)
Ageratum (Blue Cap Reselected)
Aloe Variegata (for pot culture)
Antirrhinum (for cutting)
Asparagus Sprengeri
Asparagus Plumosus Nanus
Balsam (Bush var.) (for pot culture)
Begonias
Browallia (for pot culture)
Calendulas (for cutting)
Candytuft (for cutting)
Campanula (Annual, for pot culture)
Carnation (Annual, for plants)
Centaurea (Candidissima (Dusty Miller)
Gymnocarpa (Dusty Miller)
Cyanus (for cutting)
Chrysanthemum (Annual)
Cineraria Maritima (Dusty Miller)
Clarkia (for cutting)
Cobaea Scandens
Coleus Glory
Cuphea
Cynoglossum (for cutting)
Dahlias Unwin (fine pot plants)
(plant tubers for Mother's Day)
Daisy Bellis (B)
Dracaena Indivisa
Delphinium (P)
Exacum (for pot culture)

Sown in January	Benching	Blooming	Culture
Antirrhinum	March	April-June	Pinch February 15th.
Begonias (Seed)	Jan.	Aug.-Dec.	
Browallia	March	May-June	
Candytuft & Nemesis	Jan.	May-June	Sow directly in flats, bench.
Centaurea Cyanus	Feb.	April	One pinch.
Clarkia	Jan.	April-May	Grow 2" or shallow flats. Poor soil.
Gypsophila	Jan. & every two weeks	March 15	Sow directly in flat or bench.
Kalanchoe 60°-65°	March	Dec. 1-15	Shade 3 hrs. Aug. 15-Oct. 1. 5-8 P.M.
Lupinus	Jan.	April	
Petunias	Jan.	April-June	
Salvia	Feb.	July-Aug.	Keep bushy.
Solanum	March	Berried Dec.	Pinch March.
Stocks	March	Memorial Day	Grow below 50°.
Sweet Peas	Jan.	April-June	
Torenia	Feb.	June-July	Pinch March.

SEEDS TO SOW IN FEBRUARY

Ageratum (Blue Cap)
Antirrhinum (Tom Thumb for combinations)
Asparagus Plumosus
Asparagus Sprengeri
Asters (for forcing)
Calendula
Campanula Annual
Candytuft (Dwarf for combinations)
Carnation Annual (for plants)
Centaurea Candidissima (Dusty Miller)
Centaurea Cyanus
Dahlias Unwin (for plants)
Delphinium (P)
Dracaena Indivisa
Gypsophila Annual
Larkspur
Linaria (for combinations)
Marigold (Dwarf for combinations)

Sown in February	Benching	Blooming	Culture
Marigolds	April 1	May 15	
Primula	April	October	Do not use peat.
Stocks	April	June	Grow below 50°.
Sweet Peas	February	May-June	

SEEDS TO SOW IN MARCH

Aloe Variegata (for pots)
Alyssum
Antirrhinum (for plants)
Asparagus Plumosus
Asparagus Sprengeri
Asters (for forcing)
Calendula
Cardinal Climber
Clarkia (for cutting)
Celosia (Dwarf for combinations)
Centaurea Cyanus (outside)
Dahlia Unwins
Delphinium
Dimorphotheca (for plants)
Dracaena
Gomphrena (Combination pots)

Gypsophila (Annual)
Impatiens (fine for shade)
Kalanchoe
Larkspur (Annual, for cutting)
Leptosyne (for cutting)
Linaria (for combination)
Lobelias
Marigolds
Mimulus (for pot culture)
Nemesia (for combination)
Nasturtiums
Nierembergia Hippomanica (for pot culture)
Pansies (A. B. C. De Luxe Mixed)
Pennisetum (Ornamental Grass)
Petunias
Pentstemon (Sensation) (Var.)
Phlox (Combinations)
Salpiglossis (for cutting)
Salvia
Schizanthus A. B. C. Mother's Favorite
Smilax
Solanum (Xmas Cherry or Pepper)
Stocks Column and Branching
Sweet Peas (Early Spencer & Inter-mediate)
Torenia (for pot culture)
Verbena Dwarf (for combinations)
Vinca Rosea (plants)
Viola Cornuta

SEEDS TO SOW IN MARCH (Continued)

Grevillea Robusta (Filler)
Gypsophila (A)
Helichrysum
Ipomea Clarks Early Heavenly Blue.
Larkspur (outside)
Lupinus
Marigolds
Mesembryanthemum (pots)
Nasturtiums
Petunias
Phlox (combinations)
Primula Obconica

Sown in March	Benching	Blooming	Culture
Antirrhinum	May 15	July & later	Do not pinch.
Asters	May 15	July	Do not use peat.
Primula	May	Dec. 25	
Zinnias	April	May 20-June	

SEEDS TO SOW IN APRIL

Asparagus Sprengeri
Asparagus Plumosus Nanus
Asters
Balsam Bush var.
Calendula
Celosia
Centaurea Annual Sorts
Cosmos
Delphinium (P)
Dianthus Annual Pinks
Euphorbia Variegata (for cutting filler)
Gaillardia (A)
Gypsophila (A)

Sown in April	Benching	Blooming	Culture
Annual Gypsophila	Flatted May 15	June-July	
Asters (late April)	June 1	July	
Lupinus	April	May 30	
Primula	June	Jan.-Feb.	Do not use peat.
Zinnias 15th	Late April	June 1-June 10	

Ipomea Heavenly Blue (Clarks early)
Lupinus (A)
Marigolds
Nasturtiums
Nicotiana
Primula Obconica
Primula Sinensis
Saponaria "Pink Gypsophila"
Scabiosa
Statice Sinuata
Stawflower Helichrysum
Tithonia (Early Flowering)
Zinnia

SEEDS TO SOW IN MAY

Antirrhinum Ghse. var.
Asparagus Plumosus
Asparagus Sprengeri
Calendula (outside for cut)
Campanula medium sorts (B)
Delphinium (P)
Digitalis (B)
Exacum (pots and combinations for Fall on)

Sown in May	Benching	Blooming	Culture
Primula Obconica	July	Jan. & later	
Zinnias	Early May	June 10-20	

Forget-Me-Not (for Jan. flwg.)
Gourds
Gypsophila (A) (for cutting)
Lupinus Annual (outside)
Primula Malacoides
Primula Obconica
Scabiosa (outside for cutting)
Zinnias (outside for cutting)

SEEDS TO SOW IN JUNE

Achillea (P)
Alyssum Saxatile (P)
Anthemis (P)
Antirrhinum (Greenhouse var.)
Aquilegia
Arabis (P)
Asparagus Plumosus
Asparagus Sprengeri
Asters (P)
Aubrietia (P)
Begonias (for Xmas plants)
Calceolaria
Campanula Calycanthema (B)
Candytuft
Carnation (P)
Cineraria
Coreopsis (P)
Cyclamen
Centaurea (P)
Daisy Shasta (P) Single & Double
Delphinium (P)
Dianthus Barbatatus (B)

Sown in June	Benching	Blooming	Culture
Antirrhinum	August	Dec.	Pinch to 3 or 4 sets of leaves, no higher to avoid spindliness.
Cinerarias	August	Early Jan. on	Do not pinch.
Sweet Peas	June	Sept. & Dec.	Run rows N. & S. for winter blooming.

Digitalis (B)
Doronicum (P)
Dracaena Indivisa
Gloxinia
Gaillardia (P)
Gypsophila (for cutting) (A)
Helenium (P)
Helianthemum (P)
Heuchera (P)
Lunaria (P)
Lupinus (P)
Lychnis (P)
Matricaria (P)
Primula Chinese
Primula Malacoides
Primula Obconica
Pyrethrum (P)
Scabiosa (P)
Statice (P)
Sweet Peas (early Flwg.)
Viola Cornuta (B)
Wallflower

TIME TO SOW AND CULTURAL HINTS (Continued)

SEEDS TO SOW IN JULY

Agatheia	Hollyhocks (P)
Anchusa (P)	Liatris (P)
Anthemis (P)	Lupinus (P)
Antirrhinum	Lynchnis (P)
Armeria (P)	Marigold (Ghse. var.)
Asparagus Plumosum	Matricaria (Feverfew)
Asparagus Sprengeri	Mignonette
Begonia (for Xmas plants)	Myosotis (P)
Bellis (B)	Nasturtiums
Calceolaria	Pansies (outside for spring plants)
Calendula	Pansies (Greenhouse long stem var.)
Campanula (B)	Platycodon (P)
Centaurea Perennial vars.	Poppy (P)
Cineraria	Primula Malacoides
Clarkia	Primula Obconica
Cyclamen	Primula Sinensis
Daisy Shasta (Single & Double)	Pyrethrum (P)
Delphinium (P)	Salpiglossis
Dianthus Plumarius	Scabiosa (P)
Didiscus Coeruleus Improved	Schizanthus
Digitalis (B)	Statice (P)
Dracaena Indivisa	Stocks
Gaillardia (P)	Sweet Pea (Early)
Geum (P)	Sweet William (P)
Gypsophila	Tritoma (P)
Helenium (P)	Veronica (P)
Heuchera (P)	Viola (B) (Spring plants)

Sown in July	Benching	Blooming	Culture
Antirrhinum	Aug.	Xmas & later	Pinch about Aug. 30 to 3 or 4 sets of leaves.
Calceolaria	Sept.	Easter-Mothers Day.	
Calendulas	Sept.	November	
Cineraria	Sept.	Jan.-Feb.	Do not pinch.
Feverfew (Matricaria)	Sept.	Feb.-April	Lighted.
Pansy	Oct.	Nov. on	
Primula Obconica	Sept.	April on	
Stocks	Aug. 15	Xmas & later	Use early var. Grow below 50° for setting buds.
Sweet Peas	July	Oct.-Feb.	

SEEDS TO SOW IN AUGUST

Antirrhinum	Exacum Affine (pot plant)
Aloe Variegata (pot plant)	Larkspur (for cutting)
Asters (see culture)	Leptosyne (for cutting)
Begonia	Lupinus Hartwegi (for cutting)
Bellis (B) (Spring plants)	Marigolds (for cutting)
Browallia (for cutting)	Mignonette (for cutting)
Calceolaria	Myosotis (for cutting)
Calendula	Nasturtiums
Centaurea Cyanus	Nemesia (cutting and combinations)
Cineraria	Pansy (Both greenhouse and outside varieties)
Clarkia (for cutting)	Primula Malacoides
Cyclamen	Stocks
Delphinium (outside for Spring plants)	Sweet Peas
Didiscus Coeruleus Improved	

Sown in August	Benching	Blooming	Culture
Antirrhinum	Oct.	Feb.-April	Pinch Oct. 1 to 3 or 4 sets of leaves.
Asters	Oct.	March-April	Lighted.
Calceolaria	Oct.	Mothers Day	
Calendulas	Oct.	Dec.-Feb.	48°-50°.
Cineraria	Oct.	Feb.-March	Do not pinch.
Cyclamen	Aug.	Nov.-Feb.	55°-60° for germination.
Marigolds (Winter flowering)	Sept. 15	Nov.-Jan.	Poor soil. Dry side.
Nemesia	Oct.	Oct.-Feb.	Lighted.
Pansies	Nov. 1	Dec.-March	
Primula Malacoides	Oct.	March & later	
Schizanthus	Oct.	Christmas	Pinch until Oct. 15.
Stocks	Oct.	Jan. 15-Feb. 15	Grow below 50° for setting buds.

Sweet Peas Aug. Dec.
Run rows N. & S. for winter bloom. Use sterilized soil. Avoid watering in dark weather to prevent buds dropping. Suggest furrows between rows for irrigation to avoid getting water on plants and fertilizing.

SEEDS TO SOW IN SEPTEMBER

Aloe Variegata (pot plant)	Larkspur (A)
Antirrhinum	Leptosyne (for cutting)
Begonia	Lupinus (A)
Browallia (for cutting)	Marigolds
Calceolaria	Matricaria (Feverfew) (see culture)
Calendula	Mignonette
Centaurea Cyanus	Myosotis
Chrysanthemum (A) (for cutting)	Pansy
Cineraria	Primula Malacoides
Clarkia (for cutting)	Salpiglossis
Cynoglossum (Chinese Forget-me-not)	Schizanthus
Didiscus Coeruleus Imp. (for cutting)	Stocks
Dimorphotheca (for cutting)	Sweet Peas (Early)
Godetia (for cutting)	Vinca Rosea
Gypsophila (A)	

SEEDS TO SOW IN SEPTEMBER (Continued)

Sown in Sept.	Benching	Blooming	Culture
Antirrhinum	Nov. 1	May-June	Pinch back to 3 or 4 sets of leaves.
Calendulas	Oct.	Dec.-Feb.	48°-50° Pinch.
Centaurea Cyanus	Nov. 15	Mar. 15-later	Lighted.
Cineraria	Sept.	April-May	Do not pinch.
Cynoglossum		March-April	Shallow bench 45°.
Feverfew (Matricaria)	Nov. 15	April-May	Lighted.

Lasseauxi. Good pink. Choice cut flower. 2 ft.....		.20	1.40
Midget Blue (New). Very low (3 to 4 inches) compact plants covered with small true azure blue flowers..			
.....(1/8 oz., \$1.50) (1/4 oz., \$2.50)		.35	...

A Background of Over Fifty Years

In connection with the production and merchandising of **FLORISTS' FLOWER SEEDS**, our background should prove of assurance to the buyer that A. B. C. can be depended upon not only for up-to-date florists' varieties, but as well, strains that can be classified in every way as of "Supreme Quality".

The newer kinds listed in this catalog have been given a fair advance trial and we believe they are worth while additions for the florist grower. Particular attention is called to our selected strains of **LARKSPUR, PANSIES, PETUNIAS, STOCKS, and SWEET PEAS.**

ALOE VARIEGATA

Tiger Aloe. A quick-growing succulent, with beautifully variegated leaves. (Greenhouse plant.) 100 seeds... \$1.00 1,000 seeds... \$8.00

ALYSSUM

	Tr. Pkt.	Oz.
Carpet of Snow (Procumbens). Spreading 2 to 3 inches	(1/4 lb., \$2.15)	\$0.15 \$0.70
A. B. C. Special "Little Gem." White. 4 to 6 inches	(1/4 lb., \$1.75)	.15 .50
Lilac Queen. Pale lilac flowers, color deepens as weather becomes cool. 9 in.....		.15 .50
Little Dorrit. White. (A. B. C. special strain.) Forms perfect bush about 4 inches high).....	(1/4 lb., \$1.75)	.15 .50
Maritimum (Sweet Alyssum). White. Used for cut flowers. 10 in.	(Lb., \$2.00) (4 oz., 60c)	.10 .20

AMARANTHUS

	Tr. Pkt.	Oz.
Molten Fire. Brilliant poinsettia-like tips. 4 ft.	(1/4 oz., 25c)	\$0.15 \$0.85
Salicifolius (Fountain Plant). Green with bronze, tops blood red. 3 ft.....		.15 .75

AMARYLLIS

Diener's Mammoth Hybrids. Growers should find much of interest in Amaryllis culture from seed and we believe a most favorable surprise from the above named strain is in store for the producer when flowering period arrives. (Seed supplied in Diener's original packets.) 20 seeds..... 50c 100 seeds..... \$1.50 1,000 seeds..... \$10.00

ANCHUSA

Capensis Blue Bird. Indigo blue. 2 ft. Tr. Pkt..... 15c Oz..... 60c

HOW TO IMPROVE GERMINATION OF FINE SEEDS — ESPECIALLY DURING THE HOT WEATHER SEASON

Mix "Sorbex" (the finest Peat Organic) with soil in seed flats and pots. The perfect mixture for the tender germinated seedlings is one part "Sorbex" to two parts screened garden loam—by volume. Prepare this mixture several days in advance of sowing seeds to allow the "Sorbex" time to absorb some moisture. If time is a factor, moisten the "Sorbex" somewhat before mixing with the soil.

"SORBEX." Per 10-bushel bag..... \$2.95
(Follow this by applying "Formaldehyde" or "Ansul Dust.")

LIQUID FORMALDEHYDE. The use of formaldehyde for treating soils for seed planting is recommended where it is not possible to use steam as a means of sterilization.

Qt..... 95c Gal..... \$2.95 60-lb. kegs..... \$9.90

SEMESAN. A seed disinfectant and control for "damping off."

2-oz. tins Each \$ 0.35
1-lb. tins Each 2.25
5-lb. tins Each 10.00

CUPROCIDE. The standard red copper oxide. Cuprocide is a dusty, finely divided red powder especially designed to cover uniformly and adhere tenaciously to seeds and give them maximum protection against "damping-off".

1-lb. tins Each \$0.90
5-lb. tins Each 3.75

CUPROCIDE 54-Y. A neutral yellow copper oxide for control of damping-off and fungus diseases. 3 lbs..... \$1.15

ANTIRRHINUM (Snapdragon)

FORCING or WINTER BLOOMING

Seed Production by Specialists from Greenhouse Culture

Following are indicated some of the Latest Novelties and Recent Introductions that have proved of real value to the Florist Grower.

Cheviot Supreme “Rose-Pink”. Combines intense pink color, medium size spikes, small foliage, and hard wiry stems with extremely early blooming and excellent keeping qualities; comes true and is best from December to Valentine’s Day.

½ Tr. Pkt. \$1.00 Tr. Pkt. \$1.50

“Gilbert’s Pink Queen Supreme.” Here is a new Snapdragon that is truly desirable. Its beautiful pink color is several shades deeper than “Cheviot Maid Supreme.” Order this new variety, for it is attracting considerable attention wherever shown.

½ Tr. Pkt. . . \$1.25 Tr. Pkt. . . \$2.00 3 Tr. Pkts. . . \$5.00

“Glorious.” Brilliant, bronzy scarlet, early and free-flowering; a really new and most desirable combination of coloring; when shown at the Illinois Experiment Station, Urbana, Ill., this new Snapdragon attracted no end of favorable comment from the numerous florists there. Highly recommended.

½ Tr. Pkt. . . \$1.25 Tr. Pkt. . . \$2.00 3 Tr. Pkts. . . \$5.00

“Hodaly’s Ideal.” Color, a blend of carmine shading into rich orange and lavender, tipped with lemon yellow. Lips lemon, slightly suffused with carmine. White throat. A wonderful combination of colors—truly, one of the most outstanding Snapdragons of today. Good grower, strong stiff stem, well supplied with heavy, luxuriant foliage. Large flowers, well formed heads. Winter flowering strain blooming in four months from seed. First prize winner at this year’s Chicago Flower Show. An ideal money maker.

½ Tr. Pkt. . . \$1.25 Tr. Pkt. . . \$2.00 3 Tr. Pkts. . . \$5.00

“Klondike Supreme.” This yellow is the deepest commercial yellow we know of; an early, continuous bloomer. Tr. Pkt. \$1.50

“Marie Louise.” Beautiful sea-shell pink color, an entirely new shade in winter-blooming Snapdragons, with the beautiful coloring continuing throughout the season. “Marie Louise” is a good mixer, combining well with other flowers. “Marie Louise” is strong and free-branching, producing long, strong stems with compact flower spikes; flowers are closely set around the stem and free from grassy growth. Very productive over a long season from fall to late spring, and very disease resistant.

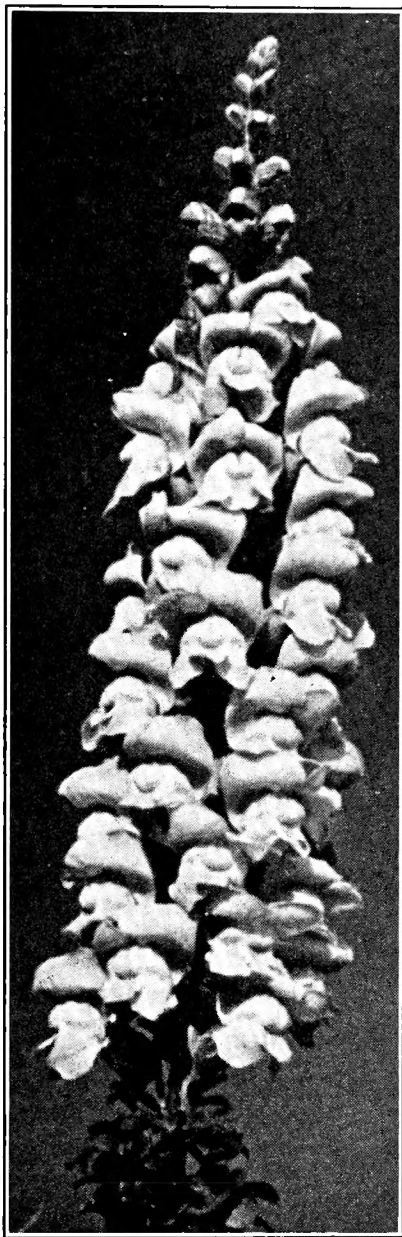

½ Tr. Pkt. . . \$1.25 Tr. Pkt. . . \$2.00 3 Tr. Pkts. . . \$5.00

Windmiller’s “Snow White.” An excellent late white that naturally comes in heavy crop for Easter. Plenty of stem and spike. Non-lateral, non-shattering. Popular for church work. Received special award from New York Florists’ Club, April 13th, 1939.

Tr. Pkt. \$2.00 3 Tr. Pkts. \$5.00

Windmiller’s Lilac. An early flowering orchid that covers the essential requirements: Hard, wiry stems, non-lateral, non-shattering, very uniform in growth and color and a good producer.

Tr. Pkt. \$2.00 3 Tr. Pkts. \$5.00

Schumann’s New Lavender Snapdragon

The ideal of its color. Has proved a real money maker for the grower.

Schumann’s Lavender. A true color, produces a strong, sturdy stem with a spike of large moderately close flowers. An early variety that will not shatter. For best results it must be pinched low while still in small pots.

Price—

Packet (about 1,000 seeds) . . \$2.00

Lge. Pkt. (about 2,000 seeds) 3.50

Schumann’s Yellow. A desirable shade of light yellow. Sturdy stem with a spike of large, well balanced flowers. An early variety that will not shatter. Must be pinched low for best results.

Price—

Packet (about 1,000 seeds) . . \$2.00

Lge. Pkt. (about 2,000 seeds) 3.50

Winter Helen. Improved Helen.	1.00	2.50
A. B. C. Forcing Mixture.	1.00	2.50

½ Tr. Pkts. of the following varieties supplied at 50c each: Afterglow, Ceylon Court, Cheviot Maid Supreme, Coates’ Yellow, Lucky Strike, and Rose Queen.

SPECIAL NOTE

Having accomplished the purpose of qualifying a wide color range of RUST RESISTANT SNAPDRAGONS we now feel the time has come to drop the non-resistant strains from our list. Because of the fact that approximately 100% of the rust-resistant strains invariably come through successfully and since an ounce of seed contains upward of 100,000 seeds, the comparative difference in cost is not worth speaking of.

Antirrhinum "Guinea Gold"
(Malmaison)

ANTIRRHINUM (Snapdragon)
Standard Outdoor Varieties
Rust-Resistant

MAXIMUM (2¾ feet)

Alaska. White.
Campfire. Fiery crimson.

MALMAISON TYPE

For out-door cut flowers and general garden culture. The following "Malmaison Type" Snapdragons are highly recommended for cut flowers and garden show as well.

Guinea Gold. An ensemble of orange, gold and terra cotta.
Royal Cerise. Beautiful cerise color.
Royal Rose. There is apparent in every flower that quality of tone and velvet sheen that reminds one of the texture of the rose.
St. George. A new shade of orange-cerise. Most outstanding.

PRICE—Each of above exceptional varieties—
Tr. Pkt.....50c 3 Tr. Pkts.....\$1.25
These strains have been produced through crossing the late-flowering kinds with original and entirely rust-proof strains. They are almost 100 per cent rust-proof under conditions that completely rust destroy the regular kinds. They are not quite so true to color as are the regular class, but very nearly so. We strongly recommend them.

Regular Strains

TOM THUMB VARIETIES

Very dwarf, 6 inches, for pots and bedding.
Mixed. Tr. Pkt.....25c

MAJUS NANUM MAXIMUM

"Irmelin Rose" (New). Delicate white merging into a rich and lovely rose-pink shade in the center. Height 12 to 14 inches.

Aster Early California Giants “Peach Blossom”

ASTERS (*Continued*)

AMERICAN COMET TYPE

Following are desirable Wilt-Resistant Asters of this type.

Astermum Lavender. Fairly dark azure blue.

Astermum Rose-Pink. Bright rose-pink of upright growth. Excellent market color.

Astermum White. Earlier but not so full or large as Crego White.

Comet Light Blue. Fine size and good cut flower shade. Highly resistant.

Comet Illusion (New). Soft pastel shade of apricot pink.

Comet Salmon Queen. Delicate salmon pink.

Crego Azure Blue. Attractive light blue, medium size, excellent color.

Crego Blue Flame. A rich fairly deep blue with extra large, fully double flowers on good stiff stems.

Crego Deep Rose. Rich deep rose. Do not confuse this with Rose-Pink.

Crego Enchantress (New). A luscious shade of lovely salmon-rose.

Crego Orchid (Cattleya). This is a very rich subdued rosy lavender—a true “Orchid” shade and original in Asters.

Crego Peachblossom. Attractive light lavender-pink—Phlox pink color.

Crego Shell Pink. Very fine bright shade.

Crego White. Large, full and clear color.

Crego and Comet Types Mixed.

Ostrich Feather Peach Blossom. An attractive, fairly deep rose-pink. Excellent for market.

**ASTERS****Bodger's Famous "Regular" Strains**

Aster "Rosalie"

**SPECIAL
NOTE**

In soil that is clean, and rot is not to be considered, our "Regular" Strains of California Asters, listed below, will be found generally satisfactory. However, if in doubt, plant "Bodger's Wilt-Resistant" Strains. The small difference in cost of seed is of little moment compared to crop results.

IMBRICATED POMPON (Improved)

These small Pompon Asters have the past few years had great vogue with California growers and the past season were introduced to Eastern retailers, with the result that they are now generally acceptable and highly thought of as cut flowers.

IMPROVED GIANTS OF CALIFORNIA,**(Curled and Interlaced)**

(Also known on the Chicago Cut Flower Market as "Chicago Giant Beauty.")

This new Aster is somewhat of the Crego and Beauty type, but is practically non-lateral, producing flowers of immense size without disbudding and of wonderful substance on strong, stiff stems 20 to 24 inches long, acclaimed by wholesale and retail florists as the ideal of cut flower Asters.

	Tr. Pkt.	1/4 oz.	Oz.
Deep Rose	\$0.35	\$0.75	\$2.25

Peach Blossom35	.75	2.25
Purple35	.75	2.25
White35	.75	2.25
Mixture35	.75	2.25

Blue and White. Deep blue, with a white stripe showing on the outer edges of each of the inner petals. The outer petals keeping to a solid deep blue. Curled and interlaced type of the Giants of California group. It throws large flowers 5 to 6 inches across.

Tr. Pkt.....	50c	1/4 oz.....	\$1.25
--------------	-----	-------------	--------

ASTERS (Continued)**CALIFORNIA GIANT SUNSHINE**

Alpenglow. Color charting this Aster in Ridgway, we have the following: Guard petals, Rosolane purple; quilled petals, pale rose-purple; center, Premuline yellow.

Blue Moon. The guard petals are the same beautiful light blue color so much admired in Aster, California Giant Light Blue. The quilled petals are several shades lighter, while the center is an amber yellow.

Moonbeam. The blooms of this Aster are snow white, with a small center of soft orange.

Rainbow. A bright rose-pink Aster of a true California Giant habit. The stems are long, strong and non-lateral. The guard and quilled petals are the same color, a delightful shade of bright rose-pink, with a center of soft orange.

Stratosphere. A rich dark blue, which might be compared in color to Light Purple in the California Giants. The guard petals are pansy violet and the quilled petals are lavender, with the center a charming shade of orange. Price, each of above:

Tr. Pkt.....	35c	1/4 oz.....	90c	Oz.....	\$3.00
Mixture of above. Tr. pkt.....	30c	1/4 oz.....	80c	Oz.....	\$2.50

MISCELLANEOUS VARIETIES

Harmony Mixture (New). A fine cutflower variety similar in type to Giants of California. Colors include lovely shades of light and deep blue, flesh, peach blossom, silvery rose, purple, and white. Flowers have full-double quilled centers. Plants are 2 to 2½ feet tall, bearing blooms 4 to 4¼ inches across.

Tr. Pkt.....	50c	1/4 oz.....	90c	Oz.....	\$3.50
--------------	-----	-------------	-----	---------	--------

Rosalie. A new shade in the American branching type of Aster. The handsome fully double flowers are 4 inches in diameter. The color is a deep rose-pink, bright and attractive, and the flowers are borne on long, clean stems. What is really outstanding about this new Aster is its ability to produce flowers that are 100% double throughout the season, and at no time are the centers exposed. "Rosalie" is certain to become very popular for florists as well as for home gardens. Tr. Pkt.....

35c	Oz.....	\$2.50
-----	---------	--------

GIANT MAMMOTH PEONY FLOWERED

Mariner. One of the finest florist type Asters, especially where flowers are to be sent any distance. They are admirably adapted to shipping as the compactly placed rather heavy petals can stand handling much better than more fragile types. The plants are 2½ to 3 ft. tall, with long, stout non-lateral stems bearing large flowers. The color is a rich medium or navy blue with light green stems. Although not a wilt-resistant, Mariner is well worth your consideration.

Tr. Pkt.....	30c	1/4 oz.....	65c	Oz.....	\$2.00
--------------	-----	-------------	-----	---------	--------

SUPER GIANTS

El Monte. A few seasons ago we introduced the sensational new Super Giant Aster Los Angeles, a delicate shell pink color. Extremely popular in the cooler climes, a more rugged color was desired in the warmer lands. This wish is met completely in our new companion Super Giant, El Monte, the only really large flowered crimson Aster. Deep glowing crimson, composed of abundant quantities of daintily interlaced plume-like petals, the flowers are extremely large and fluffy, borne on heavy non-lateral, basal branched stems. It is very early blooming, coming in before the California Giant varieties, and remaining in flower over a long period. Although not wilt-resistant, we highly recommend El Monte to you. Plant El Monte for your earliest Giant Aster.

Tr. Pkt.....	35c	1/4 oz.....	75c	Oz.....	\$2.50
--------------	-----	-------------	-----	---------	--------

Los Angeles. (Award of Merit, All-America Selections.) Los Angeles, Bodger's introduction of a few seasons ago, is still one of the most popular and best selling Asters on the market. The first introduction in the modern Super Giant class, the flowers are fully double, 6 to 8 inches across, graceful and delicately interlaced. The long, stiff stems are basal branching and strictly non-lateral, bearing the large flowers smartly upright. Don't overlook this fine Aster.

BEGONIAS
Fibrous Rooted

SEMPERFLORENS

For greenhouse pot plants and summer bedding. While Begonias are easily grown from cuttings our experience has proved that plants grown from seed are far superior. As a bedding plant there is nothing more satisfactory; also excellent as a pot plant and for a "filler" with other plants.

"White Lady." Substantial, beautiful pure white flowers, almost as large as those of our "Masterpiece," to which it makes an excellent companion. Tr. Pkt.....\$1.25 3 Tr. Pkts.....\$3.00

Masterpiece. A lovely clear rose-pink Begonia, and the most outstanding in this color class. The large-sized blooms are produced so abundantly that the foliage is really overshadowed. A large bed of "Masterpiece" observed on a large estate near Chicago this past season was a sight to behold. For pot plants as well as for bedding, you have something if you have this exceptional new Begonia.

Tr. Pkt.....\$1.25 3 Tr. Pkts.....\$3.00

Eriksson's New Scandinavia. A new, continuous flowering, Semperflorens Begonia with a wonderful branching habit, and many other good qualities. Sow seeds in January for Memorial Day; in May or later, for winter; October or November, for Mother's Day purpose. Red and pink shades, mixed. Tr. Pkt....\$1.50 3 pkts. for....\$4.00

Snow (Heterosis). This new, snow-white, profusely flowering Hybrid is outstanding on account of its resistance to heat, drought, and excessive moisture. The plants bloom well during unfavorable weather and retain their fresh, pure white appearance. These pure white medium sized flowers show up well against the rosy stems and light green leaves. The bushy plants grow about 10 inches high. At the official Begonia trials (Germany), this new Hybrid proved to be the best white Begonia. Tr. Pkt.....\$1.00

Albert Martin. Bright carmine, extra large flowered.

Tr. Pkt.....50c 1/32 oz.....\$1.00

Christmas Cheer. Extra large-flowered crimson-scarlet.

Tr. Pkt.....50c 1/64 oz.....\$1.40

Christmas Pink. This variety is of same habit as Christmas Cheer and equally as good. Tr. Pkt.....\$1.00 1/64 oz.....\$1.50

Darling (New). According to our trial of it, this is one of the choicest Semperflorens Begonias that has come from Germany for a long time. Of compact growth, 8 to 10 inches, with large, light rose colored flowers about the shade of Glory of Erfurt. We have had this in full flower for Christmas. Tr. Pkt.....\$1.00 1/64 oz.....\$2.25

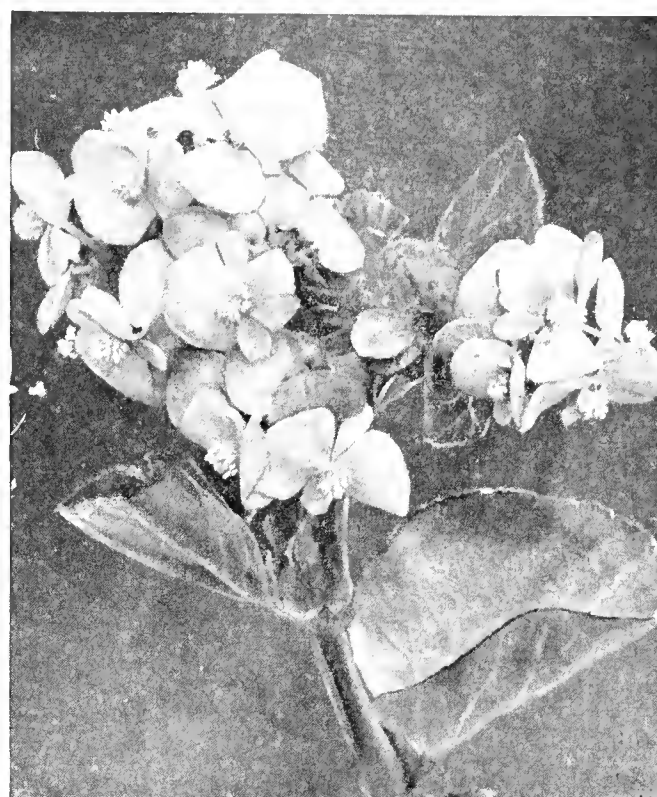

Elegant (New). White attractively edged crimson, clear green foliage that contrasts well with the flowers. Tr. Pkt....\$1.00 1/64 oz....\$2.00

Erfordia. Pink. Tr. Pkt.....50c 1/32 oz.....\$1.40

Fire Sea or Blaze of Fire. Extra dwarf compact habit. Large fiery red flowers with green foliage. Good. Tr. Pkt...\$1.00 1/32 oz...\$2.00

Glory of Erfurt. Large bright carmine. Tr. Pkt...50c 1/32 oz...\$2.00

Glow. Dark red flowers; foliage light bronze; free blooming and compact. Tr. Pkt.....75c 1/32 oz.....\$3.00

New Begonia "A. B. C. Masterpiece"

BEGONIAS (*Continued*)

Gustav Knaake. Glowing salmon-pink, resembles Melior.

Tr. Pkt.....50c 1/32 oz.....\$1.40

Lightning. Extra large flowers measuring 2 inches across and of deep carmine-scarlet shade—an extra deep bright shade in Begonia.

Tr. Pkt.....\$1.00 1/32 oz.....\$2.50

Radio. Extra large carmine-scarlet, green foliage. Excellent.

Tr. Pkt.....\$1.00 1/32 oz.....\$2.25

Salmon Queen. Salmon red. Tr. Pkt.....50c 1/32 oz.....\$1.50

Vernon. Red. Tr. Pkt.....25c 1/8 oz.....75c

GRACILIS

This type produces very compact little plants that are literally covered with flowers.

Carmen. Bright pink flowers with richly contrasting bronze foliage.

Tr. Pkt.....\$1.00 1/64 oz.....\$1.75

Enchantress. A new Begonia of great value to the florist. (Better than Prima Donna.) Of compact growing habit; pale green foliage; flowers large and of bright pink color. Unusually free flowering.

Tr. Pkt.....50c 1/64 oz.....\$1.75

Indian Maid. Has the same deep bronze foliage of Carmen with bright deep scarlet flowers producing a highly attractive combination.

Tr. Pkt.....\$1.00 1/64 oz.....\$2.00

Luminosa. Deep scarlet with reddish brown foliage.

Tr. Pkt.....\$1.00 1/32 oz.....\$1.75

Luminosa Compacta. From the middle of July onwards the small dark brown foliage is hidden by the mass of medium sized bright scarlet blossoms. This new variety, coming true from seed, is very useful for beds, borders, edgings and also as pot plants.

Tr. Pkt.....\$1.00 1/64 oz.....\$2.00

Prima Donna. Limpid rose shading to carmine. Very excellent variety. Tr. Pkt.....\$1.00 1/32 oz.....\$2.15 1/16 oz.....\$4.00

Tausendschoen (Gracilis). Lustrous rose. Tr. Pkt.....\$1.00

Said to be the best bedding variety in existence.

White Pearl. Best white, light green foliage.

Tr. Pkt.....50c 1/32 oz.....\$1.65

Pink Pearl. Dwarf, one of the best for pot culture. Tr. Pkt.....\$1.00

Red Pearl. Dwarf, brilliant dark scarlet. Tr. Pkt.....\$1.00

DOUBLE FLOWERED

Coppery Gold (New). Double flowered. Many flowers are like tiny roses which are very effective when fully opened. Color: old gold merging into copper red or coppery salmon, usually tinged with carmine. The seedlings produce about 80% doubles. Blooms from July until frost. Tr. Pkt.....\$1.00

Mrs. Helen Harms (New). The flowers are about 1 1/2 inches in diameter and of a deep canary yellow. A worthy addition to this new family. Tr. Pkt.....\$1.00

TUBEROUS ROOTED

Single. Large Flowering. Mixed. Tr. Pkt....50c 1/32 oz....\$2.50

Double. Large Flowering. Mixed. Tr. Pkt....\$1.00 1/64 oz....\$5.50

BLUE LACE FLOWER (See *Didiscus Coeruleus*)

BRACHYCOME (*Swan River Daisy*)

IBERIDIFOLIA. A free blooming annual with small flowers.

Azure Blue. The most popular color. Tr. Pkt.....15c Oz.....85c

Mixed Colors. Tr. Pkt.....15c Oz.....65c

BROWALLIA

Very useful flowering annuals.

Speciosa Major. Color brilliant ultramarine blue, suitable for pot plant, bedding and border work. For outdoor work seeds should be sown in February, or later, shifted in pots, and planted out in May. Plants will bloom all summer.

Tr. Pkt.....35c 1/32 oz.....\$1.00

Speciosa Major Alba. Same as above but pure white.

Tr. Pkt.....50c 1/64 oz.....\$1.50

Viscosa Compacta Sapphire. Excellent pot plant. Compact grower. Dark blue flowers with white eye. Tr. Pkt....35c 1/16 oz....\$1.00

CALCEOLARIA

Our strain of these is produced by the foremost specialists of the world.

A. B. C. Triumph Mixed. A special florists' selection. Medium dwarf in growth, producing an exceptional assortment of colors and shades. Highly recommended. Tr. Pkt.....\$1.00

MULTIFLORA NANA

Indian Prince. This is a new color selection from the popular Multiflora Nana strain, retaining the fine dwarf, free-flowering habit. The color is a rich dark scarlet with an orange suffusion, a color that will contrast richly with the new Golden Tiger of the same class. Tr. Pkt.....\$1.00

Golden Tiger. Bright, golden yellow flowers with dark brownish red dots, masses of small substantial blooms spread in plenty above the foliage. A most desirable new kind. Tr. Pkt.....\$1.00

Hybrida Multiflora Nana. Mixture-dwarf compact growth. Medium size brightly colored flowers. A great favorite with the trade. Tr. Pkt.....\$1.00 1/64 oz.....\$4.25

HYBRIDA GRANDIFLORA

Tigrina. Large flowered "Tigered" or spotted mixture.

Tr. Pkt.....\$1.00 1/64 oz.....\$2.50

Hybrida Grandiflora Mixed. A special mixture of varied colorings. Grows about 18 in. high. Large flowered, vigorous growth.

Tr. Pkt.....\$1.00 1/64 oz.....\$2.00

Cloth of Gold. Medium large flowered, rich pure golden yellow.

Tr. Pkt.....\$1.00 1/64 oz.....\$2.25

Albert Kent. Immense trusses of golden yellow flowers with maroon blotches. Tr. Pkt.....\$1.00 1/64 oz.....\$2.50

Albert Kent Hybrids. A much liked mixture of varied colors.

Tr. Pkt.....\$1.00 1/64 oz.....\$2.00

Feltham Scarlet. Plants are fairly dwarf and compact in habit and the flowers of a rich dark scarlet. Tr. Pkt.....50c

Kelway's Perfect Model. A fancy large flowered mixture. Tr. Pkt.....\$1.00 1/64 oz.....\$2.25

Calendula A. B. C. "Improved Sensation"
About one-half natural size

Calceolaria Hybrid

CALCEOLARIAS (Continued)

RUGOSA TYPE

Hybrida Flower Cloud. Extraordinary masses of brilliant yellow flowers, over a hundred "Lady Slippers" on the center stem with hundreds of blossoms on the side shoots; lasts for weeks in undiminished glory. Besides yellow, there are varying shades of brown and orange. Height 12 inches. Tr. Pkt.....\$1.00

Rugosa Hybrids Mixed. Comparatively small flowers. Provide pot-plants and desirable for cutting. Tr. Pkt.....\$1.00

CALENDULAS

A. B. C. IMPROVED SENSATION

Considered by many to be the best Calendula for cut-flower purposes. Flowers very large, deep orange with scarlet sheen, light center.

Tr. Pkt.....25c 1/4 oz.....45c 1/2 oz.....85c
1 oz.....\$1.50 2 oz.....\$2.75 4 oz.....\$5.75

THE FOLLOWING IN ORIGINATOR'S PACKETS

Ball Masterpiece. Clear rich orange with an attractively contrasting dark brown center. This is our most popular standard cut-flower variety.

Ball Long Orange. The standard long-stemmed orange with light center. Preferred by many growers for its long stem.

Ball Lemon Queen. Clear medium deep yellow with a dark brown center that contrasts most effectively. Generally preferred yellow.

Ball Gold. Deep golden yellow, long-stemmed and large flower with light center. Stem, size, and color in this are outstanding.

Ball Supreme. Light shade of orange with a richly contrasting brown center, not extra long-stemmed but freer flowering than any of the above.

Ball Apricot. Rich apricot or straw color with a finely contrasting brown center. Same habit as Ball's Supreme, from which it is a selection. Inclined to occasionally produce orange petals with the apricot. Same should be grown for variety.

Note: Unit price on weight lots will apply in combination with two or more of above varieties. For instance, on 1/4 oz. each of four varieties, instead of 60c each, or \$2.40 for the four, the ounce price of \$2.00 will be accepted.

ALL of the above uniformly priced as follows:

Tr. Pkt.....40c 1/4 oz.....60c Oz.....\$2.00
2 oz.....\$3.50 4 oz.....\$6.50 Lb.....\$20.00

Ball Calendula Mixture.

Tr. Pkt.....35c 1/4 oz.....50c Oz.....\$1.75 Lb.....\$18.00

OUTDOOR VARIETIES

Frilled Beauty. The flowers are large and full, completely double with good stiff petals which are semi-rounded in appearance. Stems are long and fine for cutting, and the color is a deep orange.

Tr. Pkt.....15c 1/4 oz.....25c Oz.....75c

Orange Fantasy. A unique form never before seen in this favorite flower. Outer petals are long, the inner petals short, curled and interlaced to form a heavy crest. Flowers are of a deep bronzy or coppery orange with petals edged deep mahogany-red. 15 inches tall.

Tr. Pkt.....25c

CALENDULAS CONTINUED ON NEXT PAGE

CALENDULAS (Continued)

OUTDOOR VARIETIES (Continued)

Improved Orange Shaggy. Deep orange shading lighter at the center, plants are free flowering, neat and compact, bearing long stems which make the fringed petaled flowers equally useful in the garden or for cutting. Tr. Pkt.....15c 1/4 oz.....25c Oz.....65c

Chrysanthia or Sunshine. The large double flowers are an exquisite shade of clear buttercup yellow, with long, loosely arranged petals which droop somewhat to give the rounded appearance of a Chrysanthemum. Tr. Pkt.....15c Oz.....75c 2 oz.....\$1.25

Chicago Favorite. A new large flowering, deep orange calendula, which has been accepted by the trade as a good cut flower variety. Tr. Pkt.....40c 1/4 oz.....60c Oz.....\$2.00

THE FOLLOWING ARE DESIRABLE KINDS FOR BEDDING—(Not recommended for cut flower production)—

Lemon Queen. Light or lemon yellow.

Orange King. Dark centered orange, of compact growth and valuable for bedding.

Radio. Bright orange with quilled petal. Of compact growth and distinctly effective for bedding.

Radio Golden Beam. Clear yellow Radio.

Price: All the above bedding varieties:

Tr. Pkt.....15c Oz.....50c 4 oz.....\$1.75

Bedding Mixture. Evenly proportioned mixture of all compact bedding varieties. Tr. Pkt....15c Oz....50c 4 oz....\$1.50 Lb....\$5.00

CALLIOPSIS (Annual)

Gold Crest (Drummondii). A fine semi-double novelty with beautiful flowers of a rich golden brown color with a reddish brown zone, that averages 2 1/2 to 3 inches across and comes with a double row of petals. A big improvement over the old "Golden Wave."

Tr. Pkt.....15c 1/4 oz.....25c Oz.....75c

Golden Crown (New). Rich golden yellow, shining maroon central zoning. Tr. Pkt.....35c

Golden Wave (Drummondii). Yellow. Tr. Pkt....10c Oz.....20c

Nigra Speciosa. Dark brown. Tr. Pkt.....15c Oz.....25c

Radiata Tigrina (Tiger Star). Tr. Pkt.....10c Oz.....40c

Mixed Dwarf. Tr. Pkt.....10c Oz.....30c

CAMPANULA (Canterbury Bells) (Annual)

Many years of careful selection have at last given us an Annual Canterbury Bell which blooms from seed in less than six months. The plant grows from two to two and a half feet tall, each plant having from six to eight spikes of blooms. Seed planted in February blooms in July.

SINGLE

Angelus Bell. Deep Rose.

Tr. Pkt.....15c 1/4 oz.....25c Oz.....75c

Blue Bell. Cambridge Blue.

Tr. Pkt.....15c 1/4 oz.....25c Oz.....75c

Liberty Bell. Violet-Blue.

Tr. Pkt.....15c 1/4 oz.....25c Oz.....75c

Mission Bell. Pink.

Tr. Pkt.....15c 1/4 oz.....25c Oz.....75c

Wedding Bells. Pure White.

Tr. Pkt.....15c 1/4 oz.....25c Oz.....75c

Choice Mixed contains dark blue, light blue, pink, rose and white. Winner of Gold Medal in the 1933 All-American Selections.

Tr. Pkt.....10c 1/4 oz.....25c Oz.....75c

CANARY BIRD VINE

Tropaeolum Canariense. Flowers bright canary yellow.

Tr. Pkt.....10c Oz.....25c 1/4 lb.....75c

Unsolicited Testimonial

THE BYRD NURSERIES, Inc.
Omaha, Nebraska

November 21, 1939.

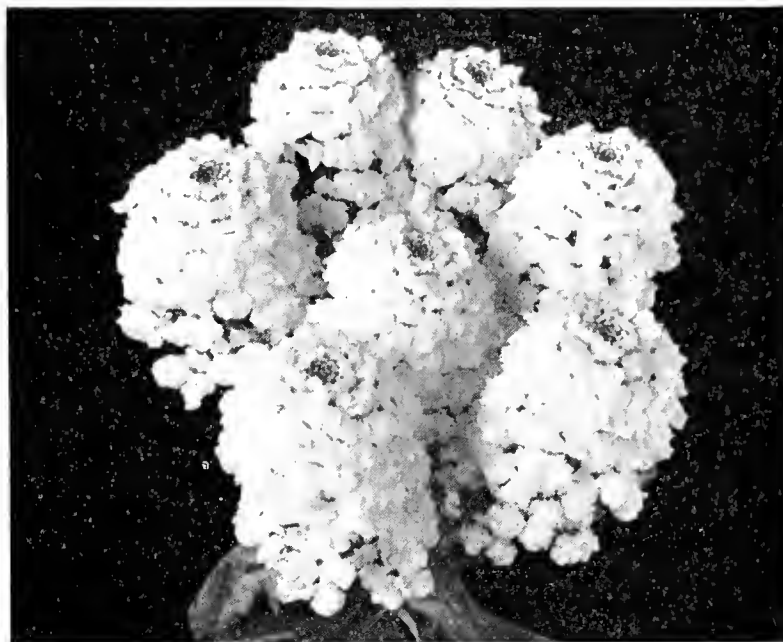

American Bulb Company,
1335 W. Randolph Street,
Chicago, Illinois.

Gentlemen:

Last spring we used your "De Luxe All-Double" Petunia seeds and were very pleased with the results. They bloomed very freely all summer long, even during the intense heat.

Yours very truly,

THE BYRD NURSERIES, Inc.
(Signed) F. W. Byrd

A. B. C. Giant Hyacinth Flowered Candytuft

CANDYTUFT

A. B. C. SPECIAL GIANT HYACINTH FLOWERED

White. Particularly recommended for under glass; provides excellent cut flowers.

We have an exceptionally fine strain of the true kind.

Tr. Pkt.....15c Oz.....75c 1/4 lb.....\$2.25 Lb.....\$7.00

UMBELLATA TYPE

If you have grown annual Candytuft before and found it a poor seller, it is more likely that you had too much of the white variety. Try in its place a few of the colored varieties, such as Pink, Rose, Carmine, Lavender and Crimson and be convinced that this annual is of much use in the florist's establishment in the spring. It will take about five months to bring them into flower indoors. Plans may be made accordingly, taking into consideration the period cut flowers will be of most use to the individual florist. A good time for one planting is soon after the winter holidays, as space becomes available. Some growers sow the seed singly, planting out later at the distance of a foot apart. Valuable for cutting.

	Tr. Pkt.	Oz.	4 Oz.
Carmine. 12 inches.....	15c	40c	\$1.00

CHRYSANTHEMUMS

Annual Chrysanthemums are important florists' plants, being useful in many ways in the flower shop and, at the same time, they are inexact in their cultural needs. A number of annual species or plants which are treated as annuals are mentioned in the literature, but two kinds, *C. Carinatum*, and *C. Segetum*, cover most of the material now in general commerce. These are all easily grown, coming into flower quickly, and the modern kinds are mostly pleasing colors, making good cutting material outdoors in summer or under glass in winter. Perhaps the most popular species at present is *C. Segetum*, especially the Star varieties, such as Evening Star (golden yellow), Eastern Star (light yellow with a dark disc and yellow ring), and Morning Star (immense flowers of an attractive primrose).

CHRYSANTHEMUMS (Continued on Next Page)

CHRYSANTHEMUMS (Continued)

SEGETUM	Tr. Pkt.	Oz.
Eastern Star. Light yellow.....	\$0.15	\$0.25
Morning Star. Primrose yellow.....	.15	.25
Evening Star. Sunflower yellow.....	.15	.25
White Star. Creamy, with yellow center.....	.15	.25
Single Mixed. Segetum.....	.15	.25

All of the above have dark centers excepting White Star.

Zebra. The first definite two-colored variety in the Chrysanthemum Segetum class. The tips of the petals of these medium-sized blooms, 2 inches across, are mahogany red, encircling brilliant yellow. A gay combination of colors, peculiarly attractive. The color contrast is considerably increased by means of a dark disc. Chrysanthemum Segetum "Zebra" is particularly suitable for borders and edgings on account of its dwarf and spreading growth and it is valuable as a lasting flower for cutting purposes. Tr. Pkt.....50c

CARINATUM	Tr. Pkt.	Oz.
Burridgeanum. White with scarlet zone.....	\$0.15	\$0.25
Northern Star. Giant white, yellow zone.....	.15	.25
Double Mixed. Coronarium annual.....	.15	.25

Golden Crest. Hardy annual, 3 to 4 feet. Golden Crest has the robust constitution of the Coronarium varieties, making vigorous and strong, well-branched plants 3 to 4 feet in height. The flowers are produced so freely that one plant will carry as many as 50 to 60 blooms. Tr. Pkt.50c

CINERARIAS

CREMER'S PRIZE

Produces somewhat smaller blooms than does "Eriksson's" with plants of good height and is of such high sale value that growers, in our opinion, will not go amiss in planting liberally of both. The originator is constantly improving the strain.

Tr. Pkt. (1000 seeds).....\$1.50 1/32 oz.....\$4.00

MULTIFLORA MAXIMA (Eriksson's Private Stock)

A new A. B. C. introduction. Medium sized flowers—plants of medium height. A great favorite in the Chicago market.

Tr. Pkt. (approximately 500 seeds).....\$1.00

SITER'S RAINBOW STRAIN

Although it carries immense flower heads, its compact growth and small round leaves require little room. Medium large flowers, ranging from the bright-eyed types to the finer pastel shades. Delivery from July on. Originator's packets—each.....\$2.00

CONVOLVULUS (Morning Glory)

IMPERIAL-EXTRA LARGE

These mammoth flowering imperial Morning Glories often measure more than 6 inches across and are entirely distinct from the Morning Glory generally known. In fact, they variably create somewhat of a sensation when in bloom. For pot or window box culture, if the runners are pinched two or three times the plant will form a dwarf and compact shape, bearing innumerable gigantic flowers. Florists who cater to the public in the way of small plants for home garden show will, we believe, find the above profitable to offer from 2 1/4" pots.

Light Chocolate, Blushed White.	Red, White Margined.
Pink.	Red, Flaked White.
Purple Self.	Sky Blue Shades.
Red Self.	White.
	All Colors Mixed.

Price—All of the above:

Tr. Pkt.....20c Oz.....75c

SPECIAL NOTE! We also highly recommend Ipomoea (Morning Glory) "Heavenly Blue," likewise for merchandising in small pots.

COSMOS

DOUBLE EXTRA EARLY

Sensation Mixed. The fluted flowers are most informal as they bloom in a variety of shapes and forms, though the doubles percentage is quite high as the seed was hand picked from double plants only. It is difficult to do justice to the beauty of these large and perfectly moulded double flowers in a written description.

Tr. Pkt.....35c 1/8 oz.....\$1.60 1/4 oz.....\$3.00

DOUBLE EXTRA EARLY FLOWERING

Crimson, Pink, or White.

Tr. Pkt.....40c Oz.....\$2.00

Mixed. Tr. Pkt.....30c Oz.....\$1.50

SINGLE FLOWERING

EXTRA-EARLY EXPRESS.

Begins to bloom early July and continues till frost.

Crimson, Pink, White, or Mixed. Flowers in 45 days; 2 1/2 feet.

Tr. Pkt.....20c Oz.....75c

Mammoth Early. Single flowering; **crimson, pink or white.**

Tr. Pkt.....15c Oz.....35c

Mixed. Tr. Pkt.....15c Oz.....30c

SENSATION

A very early giant flowering variety. Blooms large, 4 to 6 inches across. Height, 6 feet.

Orange Flare. Vivid orange with light green foliage. Blooms in less than four months from sowing. Tr. Pkt..25c 1/4 oz...35c Oz...\$1.00

CUPHEA (Cigar Plant)

Platycentra. Russet-orange. Excellent for pot plants and borders.

Tr. Pkt.....50c 1/8 oz.....\$1.25

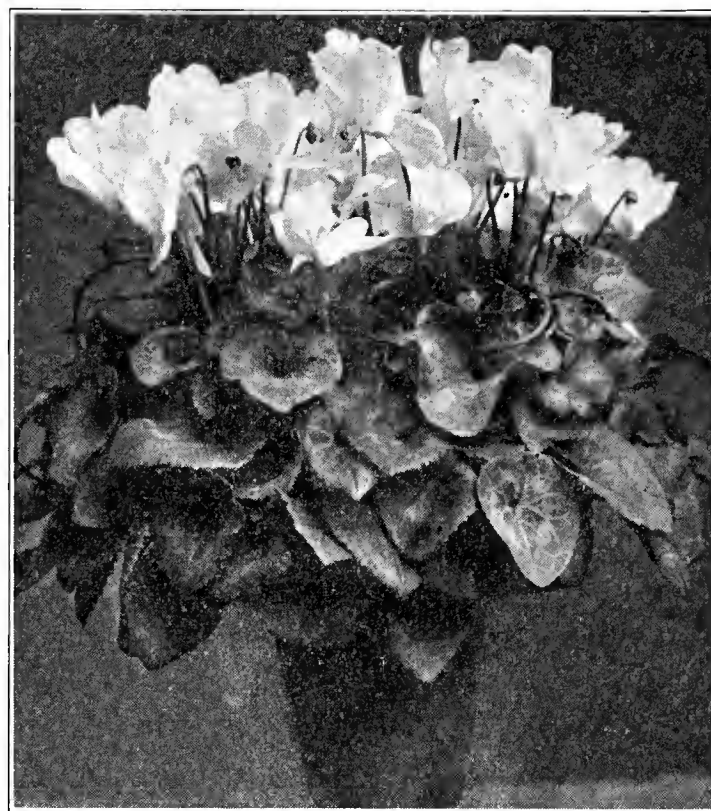

Firefly. This is a semi-dwarf, compact growing annual about 10 to 12 inches in height with a spread of about 12 inches. The flowers are freely produced, and as you can see on the plant, somewhat fluted in formation, a deep rosy scarlet color, deepening to almost purple at the center. The foliage is very attractive, the plants grow very readily from seed and flower in about five months from the time they are sown. Tr. Pkt.....50c 1/8 oz.....\$1.00

CYCLAMEN

True Ferd. Fischer's Giant-Flowering Strain
Preferred by the "Particular Grower" and Now Accepted
as "Standard" for American and Canadian Culture

If interested in producing Cyclamen plants that qualify in every way, plant the true Ferd. Fischer Strain. Fischer's Giant-Flowering Cyclamen justifies in every way the praise of critical growers and critical buyers. Introduced 20 years ago, this strain has continued to maintain its reputation with the largest growers. Seed of highest germination is now ready for distribution.

EXACUM

Affine. Light mauve with golden yellow stamens. Tr. Pkt.....50c	
Affine Atrocoeruleum. Dark lavender. Yellow stamens. Tr. Pkt.	\$1.00

SPECIAL NOTE

Provides a most useful pot plant. Numerous small dark lavender flowers with golden yellow stamens contrast wonderfully with the light green leaves. Seed sown in January or February flower in June and continue uninterruptedly until the autumn. To obtain the best results, plant two plants in each pot. Rich soil of leaf mould and turfy loam in equal parts, with some sand added, is most suitable for its cultivation, which from the end of March must be carried out either in a cold frame or a well ventilated greenhouse, with the minimum of shade. Exacum Affine is a fragrant and charming indoor plant. As a cheap market plant, it is worthy of notice.

Exacum Affine

Tr. Pkt.....	25c	Oz.....	\$1.75
--------------	-----	---------	--------

HOLLYHOCK (Annual)

Indian Spring. (Awarded Silver Medal, All-America Council.) Produces flowers of attractive bright rose and rosy carmine shades, of a size similar to the Single Perennial Hollyhock; however, seed sown in February will bloom freely in early August. "Indian Spring" attains a height of six feet or more, with flowering branches produced freely from about a foot from the soil. "Indian Spring" produces a compact pyramidal plant that is worthy of high recommendation.

Ipomoea (Morning Glory) "Scarlett O'Hara"

IPOMOEA (Moonflower, Etc.)

(See colored illustration in center of this book)

Clark's Early-Flowering Heavenly Blue. This strain is well known and widely used throughout the United States. It is early-flowering and makes a sparse growth of foliage. When growing Ipomoeas, care should be taken to plant them in a dry, sandy location, and fertilizer should never be applied. One of the most admired flowering vines at the Chicago Century of Progress. This climber made a beautiful showing on the back wall of the Horticultural Building. A color of pure, unrivalled beauty. Tr. Pkt.....15c Oz.....75c 1/4 lb.....\$2.25

	Tr. Pkt.	Oz.	Lb.
Bona Nox (Evening Glory). Large blue.....	\$0.10	\$0.20	\$2.20

Noctiflora (Moonflower). Black seeded.....	.15	.30	4.00
Rose Marie. Double deep rose.....	.20	.75	...
Setosa (Brazilian Morning Glory). Red.....	.10	.30	...
Cornell. So named because it reproduces the colors of Cornell University; this Morning Glory has giant carnelian red flowers with a pure white border, the flowers measuring as much as 3 1/2 inches across. Resembles "Scarlett O'Hara" in color but has the contrasting white margin. Tr. Pkt.....15c Oz.....\$1.25			
Crimson Rambler. Very similar to "Scarlett O'Hara" but with white throat and heart-shaped leaves. This is a beautiful climber, but not suitable for window boxes as is "Scarlett." Tr. Pkt.....25c Oz.....\$1.50			
Alamo. (Mile-a-Minute Vine.) Creamy white deep wine red center. Tr. Pkt.....15c Oz.....25c 1/4 lb.....85c			

IPOMOEA "SCARLETT O'HARA"

(Awarded Gold Medal, All-America Selections, 1939)

"Scarlett O'Hara" is an entirely new color in a Morning Glory, a rich dark wine red, or deep rosy crimson. Few introductions in recent years have caused so much interest prior to the introduction and now that "Scarlett" is with us, we can say it warrants all that was expected earlier. Though the flowers are not as large as "Heavenly Blue," they are of good size, about 4 inches in diameter, and freely produced on fast-growing vines which start blooming within 65 days after seed is sown. The dark green foliage does not make a heavy growth.

NOTE! In order to produce freedom of bloom, sow seed in pots or tin cans and insert in soil in the open.

Tr. Pkt.....	25c	1/4 oz.....	85c	Oz.....	\$3.00
--------------	-----	-------------	-----	---------	--------

KALANCHOE

Blossfeldiana (Globulifera Coccinea). A succulent plant that is very easy of cultivation. The flowers are similar to Bouvardia in form, and in color they are very bright scarlet. Tr. Pkt...60c 3 Tr. Pkts...\$1.35

CULTURE FOR KALANCHOE. Propagated easily from seed. Sow in January and prick off when large enough. Place two plants in a pot; this will increase sales. Plants pinched in June and July will not flower as early as those not pinched. Plants should be made up similar to Poinsettias. Shade from August 16 to October 15, will produce plants for Christmas if grown in a 60-65 degree house. No specific recommendations as to soil or fertilizer. Time of later bloom controlled by temperature.

KALE (Flowering)

(So-called Ornamental Cabbage.)

Although belonging to the same family of Cabbage or Kale, this Flowering Kale is an entirely different sort of plants as to its appearance. In young stage its leaves are green just like ordinary Kale, but in autumn as the weather advances remarkably beautiful colors begin to appear and paint whole plant in self colors or in variegation. The colors range from white, cream, pink, rose, magenta, etc., on dark green ground.

As the plants grow, the colors become more brilliant and keep well all through winter until late spring.

Considering its conspicuous color and its marvelous keeping quality, this Flowering Kale should gain great popularity as pot plants for Xmas or New Year decoration or as bedding out plants for winter and spring borders.

Exhibited at the National Floral Show, Houston, Texas, 1939. The above created a wonderful amount of interest, both from florists and the public as well. New crop seed now ready.

Tr. Pkt.....	25c	Oz.....	75c	1/4 lb.....	\$2.50

MARIGOLDS

WINTER FLOWERING

Lieb's Sensational Cut Flower Novelty. The Originator's Improved Strain now obtainable from seed. New winter cut flower, deep brown with golden yellow crested center. Flowers five weeks after planting, continuing five months. Flowers are of wonderful keeping quality and have a distinctly sweet odor.

The best paying bench space in your greenhouses.

For best results seed should be sown from July up to December. Plant in any house that can be kept free from frost. Fine to follow Mums. Plant 10 by 10 inches and pinch back once. No insect pests.

Lieb's Brown and Yellow. Tr. Pkt...35c 1/4 oz....60c Oz....\$2.25

Lieb's Sunshine. Yellow. Tr. Pkt.....50c

Australian Tree. This is another desirable Winter Flowering Marigold with long stems. Color: Golden yellow and mahogany.

Tr. Pkt.....20c 1/2 oz.....60c Oz.....\$1.00

Winter Harmony. (New.) (For greenhouse culture.) It is of quilled scabious type. A single row of reddish brown guard petals encircling a golden orange quilled center—with mahogany brown dots on tip of each quilled petal. Produces 100% double flowers. 2 1/2 in. in diameter. Tr. Pkt....25c 1/8 oz....50c 1/4 oz....75c Oz....\$2.50

CARNATION FLOWERED

Gigantea Sunset Giants is a Novelty from California; it is said to have the largest known flowers in the "Marigold" group, averaging 5 inches and some flowers attaining a size of 7 1/2 inches across. Instead of the usual "Marigold" odor these flowers have a definitely sweet fragrance. This is a mixture ranging from deep orange through golden orange, deep golden yellow, light yellow, lemon yellow, and a delightful new shade of primrose. The strain comes from 60 to 65 per cent double. The plants are normally 3 1/2 to 4 feet high, but under favorable conditions have been known to grow as much as 7 feet high. Excellent for cutting.

Tr. Pkt.....25c 1/4 oz.....60c Oz.....\$1.80

Gigantea Orange Sunset. The color is a deep, rich, lively orange, one of the most admired shades found in the Sunset Giants Mixture. The plants are strong growing, upright branching in habit, usually about 3 feet tall, producing a heavy growth of foliage, and with 6 to 8 heavy branches, each bearing 3 to 6 large flowers. Blooming commences about the first of August in most sections of the country, in late June in the southern states, and flowers can be depended on well before frost in any latitude. Orange Sunset has been tested and found to be a fine forcer in the greenhouse, and will come over 65 per cent double.

Tr. Pkt.....25c 1/8 oz.....40c 1/4 oz.....75c Oz.....\$2.50

Yellow Supreme. Creamy lemon-yellow, loose petaled, 2- to 3-inch flowers produced on nice stems for cutting. 2 1/2 feet.

Tr. Pkt.....25c 1/4 oz.....40c Oz.....\$1.25 4 oz.....\$4.00

Guinea Gold. Light attractive orange-colored flowers, about 2 inches, and very freely produced throughout the summer. No retail grower should be without a row of this and Yellow Supreme. 3 ft.

Tr. Pkt.....25c 1/4 oz.....45c Oz.....\$1.25 4 oz.....\$4.25

MARIGOLDS (Continued)

CARNATION FLOWERED (Continued)

Golden Eagle. Very similar in habit, flower size and type to the well known Guinea Gold. The color, however, is a rich golden yellow, midway between Yellow Supreme and Guinea Gold. If you have grown these two, the value of this new color, especially for outdoor cutting, can be visualized and appreciated. Tr. Pkt.....25c 1/4 oz.....50c Oz.....\$1.75

Burpee Gold. Odorless foliage. Here is truly a Marigold with a host of things to commend it—even, rich, deep orange color, large flowers, 3 1/2 inches across, beautiful Carnation-like form, attractive habit, uniformity of color and blooming time, full doubleness with no singles, earliness, and above all absolute freedom from the usual Marigold odor. Flowers somewhat resemble Guinea Gold, being made up of loosely arranged rays or petals which are shallowly fluted.

Tr. Pkt.....25c 1/4 oz.....60c Oz.....\$2.00

TALL AFRICAN ALL-DOUBLE

3 feet. Large, double-flowered; a valuable class for cutting.

Orange. Not quite so large as Prince of Orange, the percentage of doubles will run much higher, 80 to 85%, with a few semi-doubles. We prefer the All-Double strain.

Tr. Pkt.....25c 1/4 oz.....50c Oz.....\$1.50 4 oz.....\$5.00

Lemon. Same high grade percentage as in All-Double Orange. The demand for these colors usually calls for about 25% of the All-Double Lemon.

Tr. Pkt.....25c 1/4 oz.....50c Oz.....\$1.50 4 oz.....\$5.00

Mixed. Mixture of both above colors. Tr. Pkt.....25c 1/4 oz.....40c Oz.....\$1.35 4 oz.....\$4.00

TALL AFRICAN

Prince of Orange. For size and perfect flowers the finest Giant African strain. 60% fully double, balance all single.

Tr. Pkt.....25c 1/4 oz.....50c Oz.....\$1.50

Lemon Queen. Same as Prince of Orange in lemon color.

Tr. Pkt.....25c 1/4 oz.....50c Oz.....\$1.50

Golden Emblem. Rich golden yellow mid-way between orange and lemon. An attractive addition to the Giant African type.

Tr. Pkt.....25c 1/4 oz.....50c Oz.....\$1.50

DWARF FRENCH DOUBLE (Scabious Flowered)

Orbit. (New.) Color deep golden yellow background reddish brown guard petals. Fine for bedding and border.

Tr. Pkt....25c 1/8 oz....75c 1/4 oz....\$1.25 Oz....\$4.00

Spotlight. (New.) Blooms about two weeks earlier than the regular French types. Plants 12 to 14 inches high. Very compact. Color a brilliant yellow shade with a striking velvety dark mahogany-red guard petals. No marigold odor. Scabiosa type flowers.

Tr. Pkt....25c 1/8 oz....75c 1/4 oz....\$1.35 Oz....\$5.00

Marigold "Guinea Gold"
(Carnation Flowered)

MARIGOLDS (Continued)

MEXICAN SEMI-DWARF

Harvest Gold. Due to their more branching and floriferous habit, and their bearing practically 100% doubles, we have the new Mexican "Harvest Gold." The plants are 1½ to 2 feet high, and bloom from July onward, bearing 20-25 elegant blooms of a bright golden orange color. Very desirable.

Tr. Pkt.....25c ¼ oz.....50c Oz.....\$1.50

BURPEE RED AND GOLD HYBRIDS

A cross between African and French Marigolds. These are the earliest of all Marigolds. Will flower in less than eight weeks from seed. The color varies with the season and the growth of the plants. At times it becomes pure yellow and at other times a bright rich mahogany red. The flowers are nearly three times the size of the largest French Double. They grow 1½ ft. tall 2 ft. wide and are literally covered with flowers at all times. Tr. Pkt.....50c

TAGETES (Mexican Marigold)

Signata Pumila. Good bedding plant, flowers golden-yellow.

Tr. Pkt.....15c Oz.....60c

PANSIES

A. B. C. “DE LUXE” MIXTURE

This mixture is the result of many years’ selection from the world’s finest strains. The seed is hand-picked from personally selected plants and will germinate 100%. We are constantly searching for varieties to improve this mixture, but we have been unable to improve on A. B. C. “De Luxe,” which justifies us to call this unquestionably the world’s finest strain of fancy Pansies. We highly recommend it for cut flowers as well as spring plant sales. Growers tell us that A. B. C. “De Luxe” Pansy plants easily command a premium over stock produced from other so-called fancy mixtures. This superb strain of Pansies is of largest size, richest and most varied colors, and contains several shades of beautiful reds. You will make no mistake confining your Pansy cultures to this outstanding mixture.

Type of A. B. C. “De Luxe” Pansies
PANSIES (Continued)

DON’S GIANT WINTER-FLOWERING

Mixture. One of the most important horticultural introductions of recent years. Plants grow 2½ to 3½ feet high, with six to eight strong upright stems bearing numerous good sized blooms on flower stems 10 to 12 inches long.
Seed should be sown under glass, and the plants benched in the greenhouse. Set the plants 12 inches apart in the bench and support in the same manner as Carnations. They may also be grown in 6-inch pots sunk in the bench if desired.
The color range is excellent, and if the blooms are kept cut as they mature the flowering period will continue from December well on into the spring.
Tr. Pkt.75c

MISCELLANEOUS STRAINS

Shakespeare’s Pansies. A simple little Pansy that is extremely suitable for garden and rockery; very easily grown\$0.50 \$2.00 ...

PETUNIAS (See colored pages 33 to 38)

PHACELIA (California Blue Bell)

Campanularia. A choice annual and one of the earliest to bloom. Gentian blue flowers, excellent for borders; 9 inch.
Tr. Pkt.....15c Oz.....60c

PANSIES

In the event you have overlooked providing sufficient pansies for spring sales, a sowing can be made to good advantage in January. Sow in flats and carry in a carnation house temperature until seedlings are ready to transplant, which should also be done in flats and set in a cold house; later moved out to protected frames.

PHLOX

MISCELLANEOUS VARIETIES

CHINESE GIANT

Single Dazzler. From Hurst & Son, seed merchants and growers of London, England, comes a "really startling novelty in flower seeds." It is a Chinese Primrose (*Primula Sinensis Fimbriata*) which the firm has named Dazzler in recognition of its striking and unusual color; "orange red," as seen in the setting sun, is suggested as the only term that accurately describes it. It is claimed that a well-grown specimen will carry well over 20, flowers open at one time. Tr. Pkt.....50c

Double Dazzler. Same color as above, with double flowers. Tr. Pkt.\$1.00

Prize Mixed. Tr. Pkt.....50c

SINENSIS STELLATA

Indispensable for general decorative work. The plants are very floriferous and bloom for a long period. A good keeper and the flowers remain fresh in water for a long period.

See Page 43 Full Description and Picture of This Wonderful New Stock

NON-BRANCHING (*Double Excelsior*)

GIANT COLUMN

This new type produces one enormous spike 2 to 3 feet in height and is especially adapted for greenhouse culture, as the plants can be grown close together. We have discontinued listing the other separate colors in this type, due to its being practically impossible to obtain seed that will prove satisfactory and give a high percentage of doubles. Those listed are, in the opinion of most florist growers, the only reliable colors to grow.

BRANCHING TYPE

GIANTS OF CALIFORNIA

"The World's Best Double."

This magnificent new group is so marked in improvement that we believe they will head the list in florists' forcing Stocks in the very near future. Giants of California are very early flowering, with a high percentage of double mammoth flowers, and they have the branching habit of the Bismarck. If planted close, they will attain the height of 2½ to 3 feet. We feel this strain justifies our highest recommendation.

Golden Gate. Clear golden yellow.

Monterey. Bright pink.

Pacific. Light blue.

Redwoods. Blood red.

Santa Barbara. Chamois.

Santa Maria. Pure white.

Sequoia. Rich sparkling carmine.

Tahoe. Lavender.

Yosemite. Rose.

Stock Giant Column

Stocks Continued on Next Page

STOCKS (Continued)

IMPROVED BISMARCKS

A good proportion of a retail grower's Stocks should consist of this class. Though shorter stemmed, they are more freely produced than the non-branching. The branching kind can be planted close and grown single stemmed. Planted this way they won't branch except about the top and from there the branches should be removed.

A good suggestion with the branching kind is to space them 6 x 6 inches. When up about 8 inches, top back about one-third. Stars (*) indicate preferred varieties.

Antique Copper. Fine copper red.	maison pink.
Apple Blossom. An extra delicate pink; nearly white.	*Golden Ball. Ivory yellow.
Blood Red. Ruby color.	Golden Rose. As named.
Buttercup. Deep cream, strong growing.	*Lavender. Clear lilac lavender; fine.
Chamois. Fine clear chamois.	*Lilac. Bright deep lilac-blue.
*Elk's Pride. Rich purple.	*Rose. Fine bright rose.
Flesh. Delicate shade of Mal-	*Shasta. New giant white.
	White. Good clear white.

Early Sweet Pea "Hope"

SWEET PEAS

EARLY OR WINTER FLOWERING

True to Name, Thoroughly Rogued and Hand-Picked Seed

If you are in the market for quantity, please ask us for special prices. The following 21 varieties are, in our opinion, the "cream" of existing florists' kinds.

1 OUNCE OF SWEET PEA SEED WILL SOW 30 FEET OF ROW

Ball Orange Improved. The only early flowering clear orange; fine color.

1/2 oz.....**25c** Oz.....**35c** 4 oz.....**\$1.20** Lb.....**\$4.00**

Ball Rose Queen. Clear rose, of exceptional merit.

1/2 oz.....**40c** Oz.....**75c** 4 oz.....**\$2.50** Lb.....**\$8.00**

Ball White. Fine large flowered white; white-seeded.

1/2 oz.....**25c** Oz.....**35c** 4 oz.....**\$1.20** Lb.....**\$4.00**

Ball Rose Improved. Deep bright rose, strong free flowering habit.

1/2 oz.....**20c** Oz.....**30c** 4 oz.....**\$1.00** Lb.....**\$3.40**

Blue Danube. Showy clear deep blue. Very fine.

1/2 oz.....**20c** Oz.....**30c** 4 oz.....**\$1.00** Lb.....**\$3.50**

Boon. Fine deep salmon-rose on cream; quite large flowered.

1/2 oz.....**20c** Oz.....**30c** 4 oz.....**\$1.00** Lb.....**\$3.50**

Bridesmaid. Delightful silvery pink; extra for flower size and stem.

1/2 oz.....**20c** Oz.....**30c** 4 oz.....**\$1.00** Lb.....**\$3.50**

Daphne. Winner of a Silver Medal at a recent International Flower Show in New York City; this Sweet Pea is a soft salmon-pink on a cream ground; the flowers are of great size, with beautifully expanded and waved standards. Many of the blooms are duplex and borne on long stout stems.

Oz.....**30c** 4 oz.....**\$1.00** Lb.....**\$3.50**

Harmony. The best commercial lavender.

1/2 oz.....**20c** Oz.....**30c** 4 oz.....**\$1.00** Lb.....**\$3.40**

Hope. Exceptionally good white (black seeded); germinates easily.

1/2 oz.....**20c** Oz.....**30c** 4 oz.....**\$1.00** Lb.....**\$3.40**

Josie. Longest stemmed, clear rose-pink; most productive variety in any color; requires more headroom.

1/2 oz.....**20c** Oz.....**30c** 4 oz.....**\$1.00** Lb.....**\$3.50**

Laddie Improved. Extra long stiff stemmed rose.

1/2 oz.....**20c** Oz.....**30c** 4 oz.....**\$1.00** Lb.....**\$3.40**

Sequoia. Extra large flowered salmon-rose; fine for spring.

1/2 oz.....**20c** Oz.....**30c** 4 oz.....**\$1.00** Lb.....**\$3.50**

Majestic Rose. Fine large flowered heavy stemmed rose-pink.

1/2 oz.....**20c** Oz.....**30c** 4 oz.....**\$1.00** Lb.....**\$3.40**

Mrs. Hoover. Best early blue; strong growing and fine for spring.

1/2 oz.....**20c** Oz.....**30c** 4 oz.....**\$1.00** Lb.....**\$3.40**

Princess Blue. Light lavender-blue, probably largest flowered and longest stemmed on our list.

1/2 oz.....**30c** Oz.....**40c** 4 oz.....**\$1.25** Lb.....**\$4.75**

Redwood. Extra large flowered deep crimson red.

1/2 oz.....**20c** Oz.....**30c** 4 oz.....**\$1.00** Lb.....**\$3.50**

Shirley Temple (Waller-Franklin). Waller-Franklin consider this their utmost beautiful origination; obtained through a cross between Pinkie and Lady Gay; inherits size and richness of color of Pinkie with dainty fluted flowers of Lady Gay; the color is softer and more beautiful than Pinkie; the stems are long, with four blooms on each stem.

1/2 oz.....**20c** Oz.....**30c** 4 oz.....**\$1.00** Lb.....**\$3.40**

Skippy. A new salmon-pink shade with good long stems; excellent.

1/4 oz.....**60c** 1/2 oz.....**\$1.00** Oz.....**\$2.00**

Treasure Island. Sparkling golden orange. Large ruffled flower and distinctive color.

1/2 oz.....**50c** Oz.....**90c** 4 oz.....**\$3.20** Lb.....**\$12.00**

Triumph. Long-stemmed attractive lilac-mauve.

1/2 oz.....**20c** Oz.....**30c** 4 oz.....**\$1.00** Lb.....**\$3.50**

WINTER FLOWERING PEAS continued on next page.

SPRING FLOWERING

A New Race of Sweet Peas for Greenhouse Culture

Tested in Greenhouses

When tested in the greenhouse under commercial conditions, this new "spring-flowering type" performed outstandingly well in the spring months, giving excellent flowers on long stems when the regular early-flowering types had given out. The spring-flowering type also gives a much heavier crop of flowers than the standard early-flowering type. Seeds of the spring-flowering type should not be sown before September or October in the greenhouse for flowering during March, April and early May.

Spring-Flowering Blue. A splendid clear marine blue.

Spring-Flowering Clear Rose-Pink.

Spring-Flowering Lavender. Beautiful clear lavender.

Spring-Flowering Sterling. Duplexed salmon rose.

ALL OF ABOVE PRICED AT:

1/2 oz.....**85c** Oz.....**\$1.50** 4 oz.....**\$5.50** Lb.....**\$20.00**

Verbena (Hybrid) "Beauty of Oxford"

VERBENA (Continued)

HYBRIDA DWARF COMPACT ERECTA

This group is very neat and compact in habit. It is a continuous bloomer particularly adapted for bedding and borders.

Carmine Ball. Bright. 10 in. Tr. Pkt...**35c** 1/4 oz...**75c** Oz...**\$2.75**

Fireball. Bright scarlet. 6 in. Tr. Pkt...**35c** 1/4 oz...**75c** Oz...**\$2.50**

Snowball. White. 6 in. Tr. Pkt...**25c** 1/4 oz...**65c** Oz...**\$2.25**

Violet Bouquet. The plant is 8 inches high and 8 inches in diameter. The color of the flower when it first opens is a deep violet tinged with garnet, changing to deep violet as the flower gets older. The eye is cream, making a rich color combination. The diameter of the flower head is 2 1/2 to 3 inches and the individual florets are 3/4 inch in diameter.

Tr. Pkt.....**35c** 1/4 oz.....**85c** Oz.....**\$3.25**

Mixture. Tr. Pkt.....**35c** 1/4 oz.....**75c** Oz.....**\$2.25**

VENOSA

Heliotrope Blue. Tr. Pkt.....**25c** 1/4 oz.....**40c** Oz.....**\$1.50**

Lilacina. Sow Early. Known in the catalogues as a perennial, is one of the most useful "blue" flowers one can grow. It is excellent as a cut-flower. In color, the flowers are delicate lavender-blue. One of this Verbena's qualities is its drought resistance. It will endure the most trying of seasons. The compact and bushy habit of the plant is inviting and it grows from 12 to 18 inches in height. Those who grow it will be well repaid with its beauty and attractiveness as a border plant. Also very desirable for cutting.

This Verbena must be treated as an annual. If possible, sow the seeds under glass in early Spring. The plants will flower in four months' time, continuing to bloom until frost. It is a strong grower, perfectly hardy and very free flowering, being literally covered with flowers throughout the season.

Tr. Pkt.....**25c** 1/4 oz.....**50c** Oz.....**\$1.75**

CITRIODORA

Lemon. Tr. Pkt.....**25c** 1/4 oz.....**60c** Oz.....**\$2.25**

ERINOIDES (Moss Verbena)

Purple. Somewhat spreading habit. Excellent as a cover on dry soil.

ZINNIAS

BODGER'S FAMOUS "GOLD MEDAL" ZINNIAS FOR CUT FLOWERS AND GARDEN SHOW

Few flowers have exhibited greater improvement at the hands of hybridizers than the Zinnias, and their improvement has been matched with a corresponding increase in public favor. For those getting started with Zinnias, it should be emphasized that the nature of the plants demands plenty of warmth. This is explained by the fact they are native to Mexico. This temperature requirement also, of course, applies to their seed germination, which will be a certain failure in a cold, wet soil. The warm end of a Carnation house or, say, a temperature of around 55 to 60 degrees nights will germinate it. In warm climates Zinnias have high florist value. By sowing around March 1st, Zinnias can be flowered to perfection during May in a Carnation house temperature. By sowing outdoors as late as August 1st, in well-enriched soil and protected with water, they can be had in fine shape right up to frost. To bring out their wonderful colors calls for long sunny days. For this reason they are not profitable as a mid-winter greenhouse crop. Don't overlook the margin in growing Zinnia seedlings for home gardeners. They are liable to become drawn and hardened in pots — better and more easily grown by broadcasting in an open bed.

DAHLIA-FLOWERED CLASS

Generally accepted as the largest and finest of the Giants. They improve the Giant Mammoth in being more incurved and rounded, though not entirely true to this type.

Canary Bird. A rich primrose-yellow.

Crimson Monarch. Large crimson-red.

Dream. A fine deep lavender.

Eldorado. Salmon-apricot.

Exquisite. Fairly deep rose. Valuable for cutting.

Golden Dawn. Golden yellow, dark center.

Golden State. Rich orange-yellow.

Illumination. Deep rose-pink.

Luminosa. Bright deep pink with a suffusion of salmon.

Meteor. Clear deep rose.

Old Gold. Deep and lighter shades of old gold.

Old Rose. Real old rose color.

Oriole. Orange and gold excellent.

Polar Bear. Large white.

Purple Prince. Large deep purple.

Scarlet Flame. Well named, glowing color.

Will Rogers. Brilliant scarlet.

Youth. A beautiful soft rose self.

GIANT MAMMOTH TYPE

Size and general effect of this class closely approaches the Dahlia-flowered, the difference being in a flat or imbricated placement of the petals. A very popular class of Giant Zinnias.

Brightness. Bright deep rose.

Cerise Queen. Choice cerise-rose.

Daffodil. Bright canary yellow resembling Narcissus King Alfred in color. Very fine.

Enchantress. Light rose, deep rose center.

Golden Queen. Same color as Golden Dawn.

Grenadier. Same color as Dahlia-flowered Crimson Monarch.

Lavender Queen. Same as Dream in the Dahlia-flowered class.

Miss Willmott. Medium light pink, nice soft shade.

Orange King. Similar in color to our Ball Orange Calendula.

Orange Queen. Golden orange.

Purity. A very clean white.

Rose Queen. Bright rose, deeper and brighter than Brightness.

Salmon Queen. Salmon rose.

Scarlet Queen. Best real scarlet in this group.

Violet Queen. Same color as Purple Prince in Dahlia-flowered.

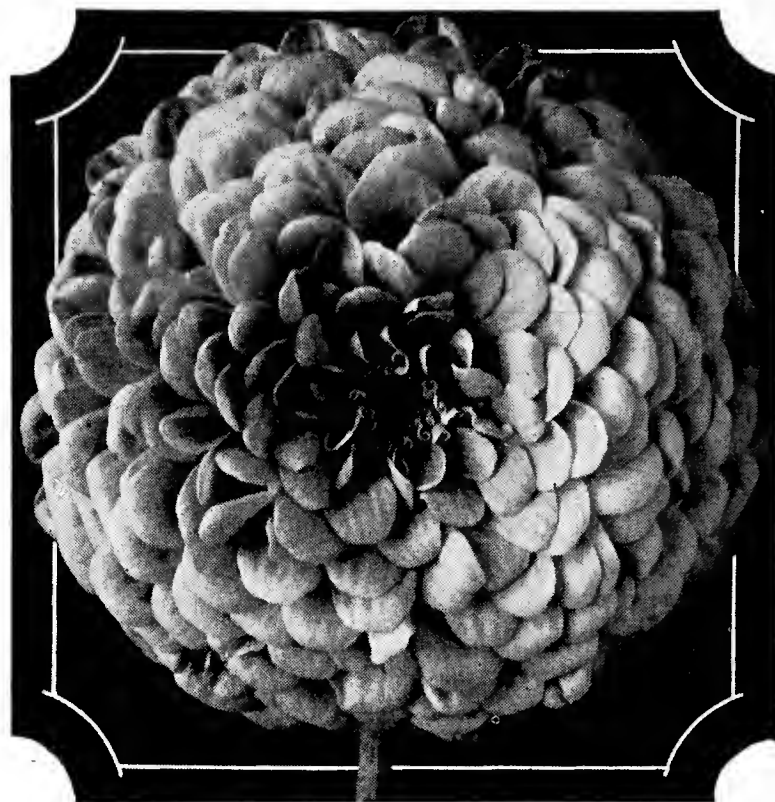

Prices, Separate Colors: Tr. Pkt.....20c ¼ oz.....30c

½ oz.....60c Oz.....\$1.00 Lb.....\$11.00

SPECIAL OFFER: One trade packet each of the above 12 varieties for \$2.00.

Zinnia Dahlia Flowered

ELEGANS PUMILA DWARF DOUBLE (Cut and Come Again)

A most desirable type for bedding as well as cut flowers, and desirable for growing in greenhouse or under cloth, particularly the variety "Salmon Rose."

Canary-Yellow.

Fire Ball. Very bright scarlet.

Salmon-Rose. Extra choice for cut flowers.

Golden Orange.

Spun Gold-Yellow.

White.

Crimson.

Scarlet.

Each, Separate Colors: Tr. Pkt.....15c Oz.....50c

Mixed. All colors. Tr. Pkt.....15c Oz.....50c

LILLIPUT OR POMPON CLASS

Have obtained the greatest favor for cut flowers — especially the variety "Salmon Gem." They fit in extremely well for small vase decoration and cut flower work generally. Flowers about size of a large button type Pompon Mum. Highly effective for cut flower work, especially nice when the stems are lengthened under glass or cloth houses.

Canary Gem.

Crimson Gem.

Purple Gem.

Golden Gem.

Lilac.

Salmon Gem.

Valencia. Attractive burnt orange.

Scarlet Gem.

White Gem.

Rosebud. Clear deep rose-pink.

Deep Flesh.

Pink Gem.

This neat little Pompon type is, we believe, the most valuable one for cut flower work. Either cloth or greenhouse protection is necessary to draw out the stems. Such protection seems to reduce the size of the Giants while it increases some that of the Pompons.

Each, Separate Colors: Tr. Pkt...15c ¼ oz...25c Oz...75c Lb...\$8.00

(Combination of varieties to make up pound, at lb. rate.)

Mixed, All colors: Tr. Pkt...15c ½ oz...40c Oz...60c Lb...\$7.50

SPECIAL OFFER: Trade packet of each of the 12 Lilliput varieties for \$1.10.

EARLY WONDER

A new race of dwarf, early flowering Zinnias, producing masses of Pumila type flowers on long nearly leafless stems.

BODGER'S FAMOUS ZINNIAS

FANTASY

Rosalie. With such developments as "Rosalie," it is no wonder that the Fantasy type of Zinnia maintains its place as a reigning favorite. "Rosalie" is a bright intense rose, equally lovely in the garden or as a cut flower. The plants are neat in habit, strong growing, and free flowering, about 2½ to 3 feet in height. The delicate informal flowers, composed of a mass of ray-like petals are distinct from the stiff formal Zinnias. The keeping qualities are excellent. Tr. Pkt.....25c
¼ oz.....50c Oz.....\$1.50

Orange Lady. It brings to the Fantasy group a rich shade of deep bright orange. The 2½ to 3-inch flowers are borne on 2½ to 3-ft. strong well formed plants, that make them exceptionally desirable for cutting. Flowering commences 45 to 50 days after seed is sown.

Tr. Pkt.....25c ¼ oz.....50c Oz.....\$1.50

Star Dust. Rich deep golden yellow with the same shaggy petaled formation in the mixture. Tr. Pkt.....25c
¼ oz.....35c Oz.....\$1.00

Mixture. Tr. Pkt.....20c ¼ oz.....30c Oz.....80c

SCABIOUS-FLOWERED

Mixed. Fairly tall and long-stemmed variety, with flower formation resembling Scabiosa. Comes 50 per cent true to this type.

Tr. Pkt.....15c ¼ oz.....35c Oz.....\$1.00

HAAGEANA

Mexicana Hybrids. An especially valuable class for bedding. Very free flowering, compact growth. Small semi-double flowers that have some value for cutting. Attractive colors.

Tr. Pkt.....15c ½ oz.....35c Oz.....\$1.00

SUPER CROWN O'GOLD

Pastel Tints. A wide range of colors in the pastel shades, soft yellow, old gold, light pink, apricot pink, various shades of salmon, peach and buff, cream and pure white. Flowers are of the Crown o' Gold type, each petal of the flower being overlaid at the base with deep golden yellow, while carrying out the individual flower color at the tip. The plants are tall, about 3 feet, strong, and bear flowers profusely throughout the season, first appearing 60 days after seeds are sown. Tr. Pkt.....25c ¼ oz.....65c Oz.....\$2.00

Zinnia Super Crown O'Gold
"Pastel Tints"

Zinnia New Fantasy Mixture

SUPER CROWN O'GOLD (Continued)

Desert Gold. A highly attractive yellow, the light and darker shading contrasting effectively. Tr. Pkt....25c ¼ oz....40c Oz....\$1.50

GRACILLIMA (Red Riding Hood)

Miniature bright crimson flowers about half the size of Lilliputs. 1 foot high, splendid for bedding. Tr. Pkt....15c ½ oz....30c Oz....75c

CUPID

Small button-like flowers, dwarf, 1 foot, well formed plants. At the 1937 F. T. D. Convention, Philadelphia, Pa., these miniature Zinnias combined with Feathery Red Celosia were used for rather effective corsages.

Pixie, Bright Yellow.

Snow Drop, Pure White.

LILLIPUT "TOM THUMB"

Mixture. 4 to 6 inches. Desirable for rock gardens, pot plants and bedding. A good range of colors. Mixed. Tr. Pkt.....15c
¼ oz.....35c Oz.....\$1.00

LINEARIS

Mixture. The most unusual and interesting of the newer Zinnias is the little dwarf variety, Linearis. The flowers, which are single, are a lovely shade of golden orange, with a delicate lemon yellow stripe through each petal, while the center is dark brown in the young flowers, turning golden orange as the pollen develops. It is extremely early blooming, commencing to flower when the plants are about 6 inches tall and keeping on right through the season until the late frosts of autumn. Tr. Pkt.....15c ¼ oz.....50c Oz.....\$1.50

**A. B. C. HARDY PERENNIAL and BIENNIAL SEEDS****ACHILLEA (Milfoil, Yarrow)**

SINGLE-FLOWERED VARIETIES A. B. C. IMPROVED "ELK'S PRIDE" *The DeLuxe of Purple Petunias*

The most outstanding of all purple Petunias for pots, boxes, bedding, etc., "A. B. C. Improved Elk's Pride" is of upright growth and unusually free flowering. The color is a brilliant royal purple, with flowers of good size. This valuable strain (Bountiful Strain) is produced under glass and hand-pollinated and consequently comes quite true from seed. We have supplied "Elk's Pride" to the trade for the past ten years, and our growers invariably repeat their purchases of this excellent variety from year to year.

American Bulb Co.
Chicago, Ill.
Dear Sirs:

I thought maybe you'd be interested in this. I used your seed for Petunias last year. The "Eriksson's Private Stock" sold rapidly in 4-in. and 5-in. pots at 25c and 35c each and caused lots of "Ohs" and "Ahs" and favorable comment. "Snowball," "Gaiety" and "Loveliness" next best.

All that I am ordering now, namely, "World Beauty," "Loveliness," "Snowball," "Gaiety," "Private Stock," "Snowstorm," "Dwarf Elk's Pride," are really good. All bloom wonderfully here all summer in any location. Will be back for more later. Had 5,000 in pots last Spring.

(Signed) J. N. SAXE, Prop.

Unsolicited Testimonial

SAXE FLORAL COMPANY

VARIOUS DOUBLE PETUNIAS

Carnation-Flowered. Another 100 per cent double flowering Petunia of extraordinary merit. Individual flowers are not so large as the maximum type. Height 13 inches. Ideal for pots and bedding.

Mixed Colors. Tr. Pkt.....\$1.50

Shepherd's Pride. Attractive shade of salmon or shrimp pink. Produces about 60 per cent of large double flowers, the balance beautiful single blooms.

1/2 Tr. Pkt.....75c Tr. Pkt.....\$1.50 3 Tr. Pkts.....\$4.00

Double Rosy Morn. This beautiful dwarf, small-flowered Double Pink Petunia has come into the greatest favor, especially as a pot plant. However, since seed produces only a nominal number of double flowers, it is well to sow early and take cuttings from the true double. The single flowers produced from this strain are, however, equal to the highest type of Rosy Morn, and all available.

Tr. Pkt.....\$1.00 1/64 oz.....\$1.75 1/32 oz.....\$3.00

Dwarf Single Giants in Mixtures

An extra large-flowered, open throat type. Highly valuable for flowering in 3-inch or 4-inch pots. Very choice for bedding under favorable conditions.

"BOUNTIFUL STRAIN" PORTLAND PETUNIAS

Single, Large-Flowered
(Fringed and Ruffled)

Originator Strains
Seed from Hand-Pollinated Plants

Free flowering strong upright growths. Now very popular with the trade. Especially "Elk's Pride," which is the most outstanding of all purple varieties.

All flowers are hand pollinated and the seed carefully gathered by hand when ripe, not before, so that every seed has full germinative power. Colors run true almost without exception, but nature still seems to insist upon a small percentage of reverts to small flowers. Infinite care and time seem unable to eliminate this natural trait in Petunias.

Apple Blossom. Light pink.

Elk's Pride, Improved. Royal purple (See page 33).

Lilac Beauty. Soft lilac.

Pride of Portland. Deep rose.

Ruffled Heliotrope. Soft heliotrope.

Scarlet Beauty. Bright scarlet.

White Beauty.

Mixed Colors.

A. B. C. SINGLE LARGE-FLOWERING PETUNIAS

"A. B. C. PRIVATE STOCK"

Originator's (Eriksson's) Seed Supplied Exclusively by A. B. C.

*Single Large-Flowering Dwarf Fringed and
Ruffled Mixed—The Single Petunia De Luxe*

Produced under glass by that eminent florist-grower, Mr. Ernst Eriksson, of Riverside, Illinois (originator of Primula Malacoides Erikssoni), this improved strain of hand-pollinated large flowering dwarf Petunias is in our estimation the choicest and finest of this type available. It is excellent for pot plants, porch and window boxes, and for bedding. This strain is as profitable as it is beautiful.

A. B. C. IMPROVED "SNOWSTORM"

Pure White Dwarf Petunia

An A. B. C. Introduction—Unquestionably the Best White Petunia

12 inches high, Improved "Snowstorm" is a pure white developed along the line of our "Private Stock" Mixed color strain. Flowers are the same size, 3 to 4 inches in diameter. The same free-blooming habit makes this new variety particularly desirable as a pot or bedding Petunia. Don't overlook this valuable new kind for the coming spring. "Snowstorm" is unquestionably the "Queen" of all White Petunias.

Petunia Hybrida Nana "New Rosy Morn" Improved

"Petunias for Profit"

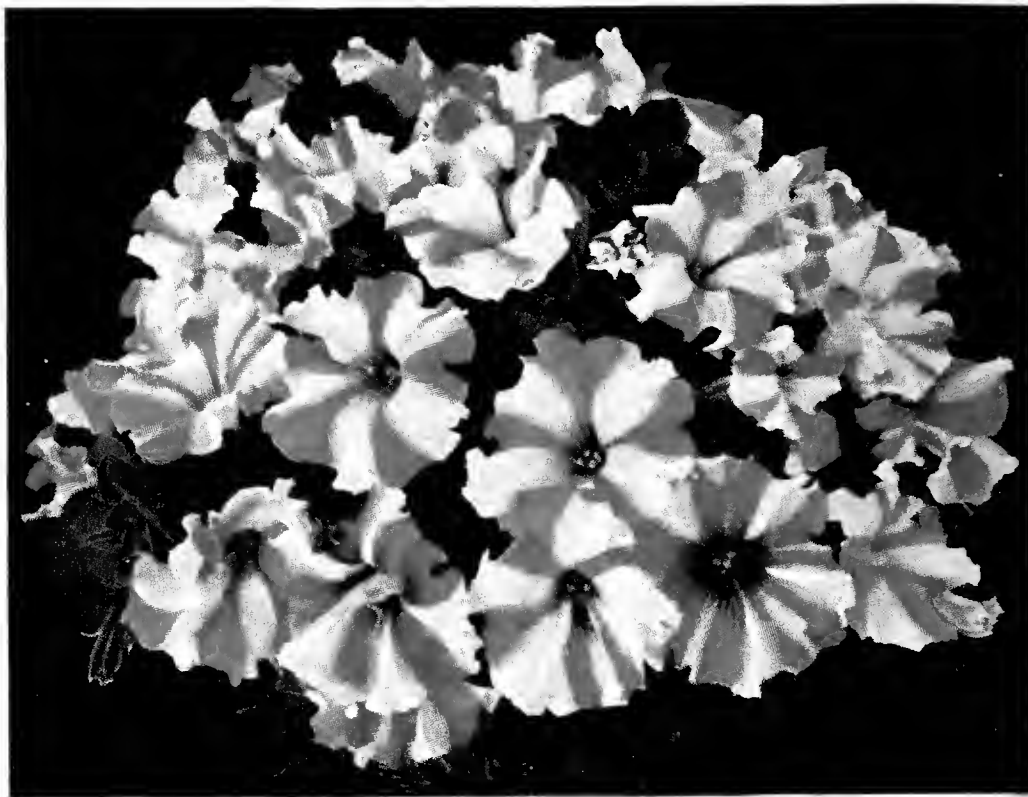

A. B. C. PETUNIAS

"BETSY ROSS"

The New Miniature Ruffled Petunia
(Illustrated in full color at right)

This color combination of red and white blooms with golden and dark red throats gives the individual plant, as well as a row of plants, a decidedly gay effect, particularly since the plants are so uniform and compact and so completely covered with ruffled blooms. In addition to being unsurpassed for bedding purposes, this new Petunia, due to its fine habit and free-flowering quality, is sure to become very popular as a pot plant.

Tr. Pkt.....50c 1/16 oz.....\$1.00 1/8 oz.....\$2.50

Petunia, "Celestial Rose Improved" (Nana Compacta)

(Originator's German Strain)

This is a big improvement over that old favorite Rose of Heaven. Beautiful, rich, satiny, deep rose and unusually free blooming. This originator's strain comes practically 100 per cent true. Our customers have been highly pleased with this Originator's German Strain.

Tr. Pkt.....50c 1/4 oz.....\$2.75 Oz.....\$10.00

NANA COMPACTA

"VIOLET BLUE"

The grand color of this new Petunia, which is a rich violet with a bright blue cast, justifies its being classed as the most important addition yet to be developed in the Nana Compacta group. The plants are near perfect in their uniform, symmetrical and compact habit. A decidedly neat plant that will hold its fine habit throughout the season. Tr. Pkt.....35c
1/32 oz.....75c 1/8 oz....\$1.25 1/4 oz....\$2.00

"LADYBIRD"

Awarded Bronze Medal, All-America Council (1938)

The color of this new Petunia is outstanding—a bright carmine overlaid with scarlet. It is of low bushy growth, and with the small round flower it is especially suitable for use in the open. It is sturdy and able to withstand inclement weather. Planted in a sunny position, it will provide a wealth of bloom, and in combination with other colors it can be strikingly effective. Tr. Pkt.....75c

PETUNIA HYBRIDA "HOLLYWOOD STAR"

A Desirable Garden Variety

Tr. Pkt....35c 1/8 oz....75c 1/4 oz....\$2.50

DWARF ANTIRRHINUM (Snapdragon)

"Malmaison Type"

"Malmaison" has been acclaimed the finest of all Antirrhinums for bedding. (Also desirable for cutting.) Free-flowering, erect and so sturdy that they stand up against almost any adverse weather conditions, these four—"Royal Rose," "Royal Cerise," "St. George" and "Guinea Gold"—are varieties which can be recommended without hesitation for all purposes to which Antirrhinums lend themselves.

"ST GEORGE"

The color of "St. George" is orange-cerise, but of a new shade, which makes it absolutely distinct from all other varieties. The spike is dense and the pips are placed closely together, making a perfect general and colorful effect. The individual flowers are large and compare very favorably with any known commercial variety.

Tr. Pkt.....50c 3 Tr. Pkts.....\$1.25

"ROYAL ROSE"

"Royal Rose" is truly a regal variety. The color is almost impossible to describe and must be seen to be appreciated, for even to say that it is the deepest and richest rose imaginable does not do it justice. There is apparent in every flower that quality of tone and velvet sheen that reminds one of the texture of the Rose. As with "St. George," the spike is dense, and the individual flowers placed closely together.

New Dwarf Ageratum "Midget Blue"

AGERATUM "MIDGET BLUE"

(Awarded Silver Medal by All-America Council)

After many years of diligent selection there is a real satisfaction in being able to offer a very fine dwarf (2 to 3 inches high). Ageratum with delicate fine foliage, which is practically smothered with small true Ageratum Blue flowers.

This is really the first dwarf Ageratum that we have found that will come uniformly dwarf and true to color from seed.

ACROCLINIUM "SENSATION GIANTS"

A florist flower *par excellence*—this new strain of Acroclinium produces flowers half again larger than any existing strain and grows six to eight inches taller.

Each flower is full double and will average a good three inches across. Its colors range from medium rose to light pink shades.

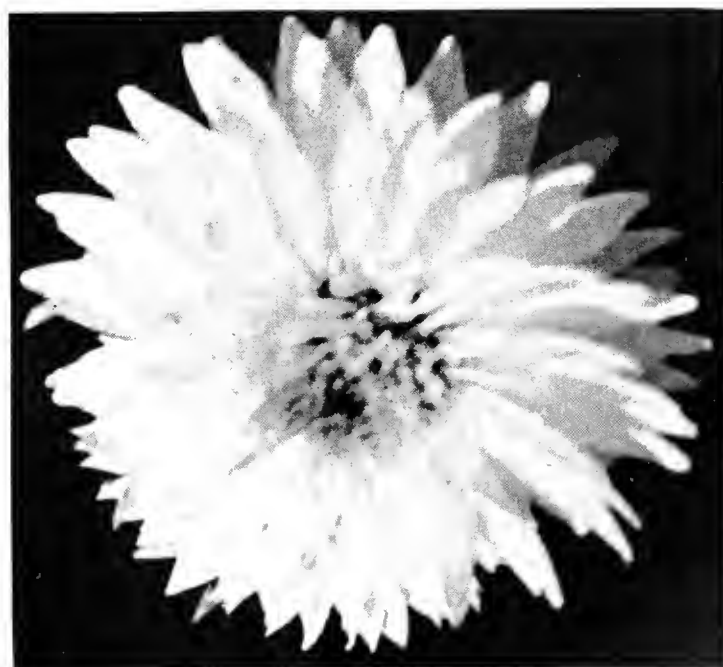

The additional height of these "Sensation Giants" give added length to the stout lateral stems, and make them an important florist cut flower. Many times a cluster of six to eight flowers are found on one stem, and closely resemble a Comet type Aster plant.

Acroclinium "Sensation Giants" is a hardy early blooming annual that is also highly recommended for the home gardener. Picked in the bud and hung out to dry, they will last indefinitely and can be a source of enjoyment during the winter months when few flowers are available.

Antirrhinum (Snapdragon) "Malmaison"
Royal Rose

New Acroclinium "Sensation Giants"

Double Begonia "Coppery Gold"
COSMOS "IMPROVED SENSATION"
Introduced by A. B. C.

The Sensation type of Cosmos is today the favorite for cut-flower use, because of their immense size flowers, being over 4 to 5 inches in diameter and borne on strong stems 3 to 4 feet in length. The broad heavy fluted flower petals which slightly overlap give a very full single flower. Flowers are produced from 8 to 10 weeks after seed is sown. Since the introduction of "Sensation" a few years ago by A. B. C., this exceptionally early strain is recognized as the trade's outstanding Cosmos for cutting and garden decoration.

Carnation "Allwood's Hardy Cottage Strain"

**BEGONIA
 MULTIFLORA
 FL. PL.**

"COPPERY GOLD"

Many flowers are like tiny roses, which are nominally very effective when opening. The combination of colors is wonderful: the foundation of old gold or golden yellow merges into copper red or coppery salmon and is usually tinged with carmine. The seedlings produce about 80% doubles; they bloom profusely and uninterruptedly from July onwards until the frost comes.

Tr. Pkt. \$1.00

New Centaurea Imperialis
 "Lavender Beauty"

**CENTAUREA IMPERIALIS
 "LAVENDER BEAUTY"**

Flowers of a soft feathery texture, colored light lavender with a creamy white center—that is a fitting description of "Centaurea Lavender Beauty." Its flowers are larger than other Imperialis type Centaurea and reach a size of 3 to 3½ inches. Heavy lateral branches give excellent cut flower possibilities and this delicately beautiful color will soon be a great favorite. Tr. Pkt. 25c 1/8 oz. 50c 1/4 oz. 85c Oz. \$3.00

**NEW COSMOS
 "DOUBLE SENSATION MIXED"**

Here is an extra Early Sensation Cosmos in a beautiful new double form. Coming in colors of white, pink and crimson, this new double Cosmos is also similar to the single Sensation in height and other habit characteristics. Two forms of double flowers are found in this new Sensation group and both will average between 4½ and 5 inches across—the regular double crested and the newer and novel fluted types. Fine for cutting. Mixed colors.

Tr. Pkt. 35c 1/8 oz. \$1.60 1/4 oz. \$3.00

**CARNA-
 TION
 Allwood's
 Hardy
 Cottage
 Strain**

A completely new breed of hardy garden Carnations! A very fine race that will give the greatest satisfaction. With their good range of colors, absolute hardiness, and stocky habit of growth, they do not require staking. They commence to flower early and continue in bloom for a lengthy period. Exceptional for merchandising to the public for garden planting.

Tr. Pkt. 50c

Early Cosmos "Improved Sensation" Pinkie

DAHLIA "COLTNESS HYBRIDS"

A. B. C. Special Formula Mixed

For a number of years we have devoted a great deal of time and space in the trial ground to the development of a better strain of the Dahlia Coltness Hybrids. We now offer a superior strain with a greatly increased range of colors. Shades of Canary Yellow, Scarlet, Terra Cotta, Apricot, Crimson, Lavender-Pink, Purple, Maroon, Buff, Cream and White are some of the additions that we fell are particularly outstanding. Tr. Pkt.....25c 1/4 oz.....75c Oz.....\$2.50

New DIMORPHOTHECA SPECTABILIS

Spectabilis has a single daisy-like bloom about 2 inches in diameter. The color is deep pink with a shining black center. The habit is similar to other varieties of Dimorphotheca except that it grows somewhat taller. Stems 12 to 14 inches long are produced in abundance. (Sow early if wanted to bloom the first year.) Gardeners who experience difficulty in finding a sufficient variety of plants for hot dry places should welcome this new Dimorphotheca both for bedding and cutting purposes. Tr. Pkt.....25c 1/8 oz.....50c 1/4 oz.....85c Oz.....\$3.00

ANNUAL HOLLYHOCK "INDIAN SPRING"

Awarded Silver Medal, All-America Council

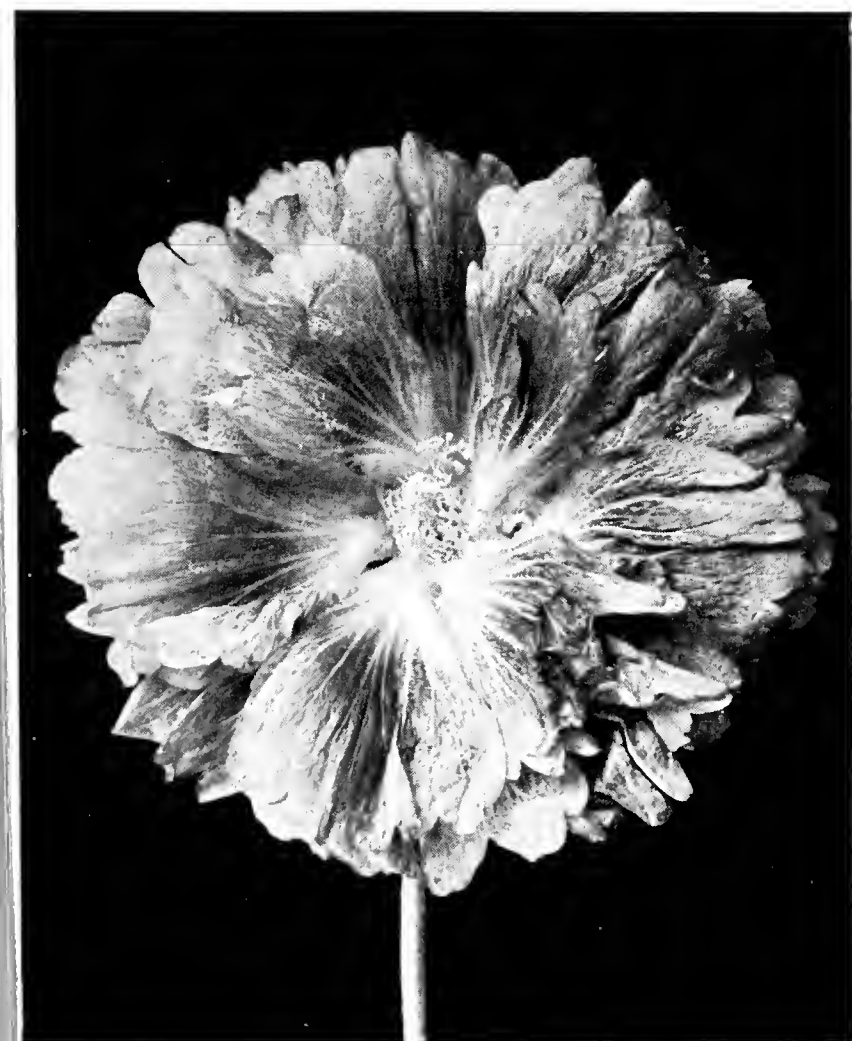

"Indian Spring" produces flowers of attractive bright rose and rosy carmine shades, of a size similar to the Single Perennial Hollyhock; however, seed sown in February will bloom freely in early August. "Indian Spring" attains a height of six feet or more, with flowering branches produced freely from about a foot from the soil. "Indian Spring" produces a compact pyramidal plant that is worthy of high recommendation. An excellent item to merchandise in small pots for garden planting. Tr. Pkt.....25c 1/8 oz.....50c 1/4 oz.....85c Oz.....\$3.00

IPOMOEAS

We believe that you will find a profitable sale for small pot plants of the various Ipomoeas offered, especially "Heavenly Blue." These plants could be used for setting out in the spring, as Ipomoeas do not transplant readily in any other way. Cash in on the advertising these will obtain during the coming season, and have the merchandise to satisfy the demand.

IPOMOEA "CRIMSON RAMBLER"

Very similar to "Scarlett O'Hara" but with white throat and heart-shaped leaves. This is a beautiful climber, but not suitable for window boxes as is "Scarlett." Tr. Pkt.....25c

Annual Hollyhock "Indian Spring"

Ipomoea "Heavenly Blue"

IPOMOEA "HEAVENLY BLUE"

(Clark's Early-Flowering Strain)

The beautiful sky blue of the Heavenly Blue Morning Glory is unquestionably one of the loveliest shades in any flower, a beautiful sky blue color which shades at the center to a golden throat. This variety is extremely early, makes a sparse growth of foliage and is heavily covered with flowers. These flowers are very large and of characteristic Morning Glory form, and although they close by noon, their "morning glory" cannot be equalled. Being a tender annual, seed should not be sown outdoors until late in spring, and then best results can be obtained by planting in a dry, sandy location where they will receive as little water as possible, and unless heavy foliage is required, no fertilizer should be used. Seed may be started early indoors, but if so, should be planted in individual pots, as Ipomoeas do not transplant readily.

Tr. Pkt.....15c Oz.....75c 1/4 lb.....\$2.25 lb.....\$8.00

IPOMOEA "SCARLETT O'HARA"

Awarded Gold Medal, All-America Selections, 1939— the First Gold Medal Winner in Two Years

"Scarlett O'Hara" is an entirely new color in a Morning Glory, a rich dark wine red, or deep rosy crimson. Few introductions in recent years have caused so much interest prior to the introduction and now that "Scarlett" is with us, we can say it warrants all that was expected earlier. Though the flowers are not as large as "Heavenly Blue," they are of good size, about 4 inches in diameter, and freely produced on fast-growing vines which start blooming within 65 days after seed is sown. The dark green foliage does not make a heavy growth.

Tr. Pkt.....25c 1/4 oz.....85c Oz.....\$3.00

IPOMOEA "CORNELL"

So named because it reproduces the colors of Cornell University, this Morning Glory has giant carnelian red flowers with a pure white border, the flowers measuring as much as 3 1/2 inches across. Resembles "Scarlett O'Hara" in color but has the contrasting white margin. Tr. Pkt.....15c 1/4 oz.....35c Oz.....\$1.25

IPOMOEA "ALAMO"

Or "Mile-a-Minute Vine"

The flowers are creamy white about 1 1/2 inches in diameter. Deep wine red at center. Remains in bloom practically all day. Tr. Pkt.....15c Oz.....25c 1/4 lb.....85c

MARIGOLD "ORBIT"

Dwarf French Scabious Flowered

Orbit grows to a height of 11 inches, is very free-flowering and the compact little plants are excellent for border and bedding purposes. Orbit's quilled center is colored a deep golden yellow, with a perfect background of reddish brown guard petals.

Tr. Pkt....25c 1/8 oz....75c 1/4 oz....\$1.25 Oz....\$4.00

SCABIOSA, IMPERIAL GIANTS "BLUE MOON" (Bodger)

(Introducer's Description)

Although we hybridists may sometimes feel that the business of producing new flowers is just a routine day-after-day job, every once in a while we are buoyed up when we succeed in guiding a plant into hitherto unsuspecting and unimagined beauty. Such has been our experience during the development of a strikingly beautiful Scabiosa which we present herewith—Scabiosa Imperial Giants "Blue Moon." The flower form is as different from the existent Scabiosa varieties as Nasturtium Golden Gleam is different from the old singles, or the Dahlia Flowered Zinnia differs from old Zinnia types. Instead of a flower composed of a few rows of broad petals surmounted by a flat pincushion-like top of small petals, this new type has flowers composed entirely of broad, heavy, wavy petals, eliminating the pincushion center entirely. In other words, the flower is literally fully double. Because of this complete doubleness, the flowers are of course extremely large and deep, 2 3/4 inches across and 2 to 2 3/4 inches deep, about the shape of an old-fashioned beehive. The color is a rich deep lavender blue, a shade which maintains its effectiveness indoors or out. The plant type is just as great an improvement over the old as the flower itself. In its development we have followed the modern trend of streamlining for space-saving. Plants are extremely upright growing, tall, 42 to 48 inches in height as grown on our ranches and the long, heavy yet wiry stems hold the flowers proudly erect, completely eliminating the weak necks which are a fault of older types. "Blue Moon" is an ideal cutting type, because of the stem length, fully 27 inches even when field grown, and especially because the large beautifully shaped flowers are a luscious shade of deep lavender blue so hard to find in annual flowers.

Tr. Pkt.....50c 1/4 oz.....90c Oz.....\$2.50

Phlox Drummondii "A. B. C. Special Strain"

This much improved strain of Phlox is now in much favor for cut flowers and bedding. (See alphabetically arranged pages in this book for list and prices.)

VERBENA HYBRIDA GRANDIFLORA "FLAMINGO"

"Flamingo" is a mammoth flowered variety with a head of florets that is over 2 inches deep. Its vivid rose-pink color shows up to perfection on the large individual florets.

It has the semi-erect grandiflora habit and is a heavy producer of long stems and large flowers. Ten to twelve stems are found on each plant and each carry two, three and four flowers.

We recommend "Flamingo" as a splendid bedding annual with a long flowering season and a hardy, robust habit. It is also a desirable cut flower that will give much pleasure for table decoration.

New Verbena "Flamingo"

New Scabiosa "Blue Moon"
Exceptional for Cutting

MARIGOLD A. B. C. IMPROVED HARMONY

A remarkable break in the dwarf French section of Marigold, which differs from all existing forms in its habit and the shape and coloring of its flowers, the latter, almost suggesting those of a Scabiosa, are of a bright golden-yellow, bordered with rich maroon-red, a most striking and effective combination of tints. The plants being about 12 inches high and of very bushy habit, form excellent material for cutting and bedding. We consider this a most important, new introduction in the Marigold family. Tr. Pkt.....25c
1/4 oz.....35c Oz.....\$1.00 1/4 lb.....\$2.50

MARIGOLD "FERDINAND" French Tall Single Harmony Type (Bodger)

Saucy, sprightly and colorful, Ferdinand is one of the gayest of our new flowers. Unlike its companions in our new Harmony Type group, Ferdinand is single flowered with a neat round, crested center of dainty tubular florets in an arresting shade of golden yellow surrounded by a single row of broad, mahogany-red guard petals. While the flowers are of only medium size, 1 1/2 to 1 3/4 inches in diameter, they are extremely showy and attractive. The plants are tall growing, 20 to 24 inches, with an upright, semi-compact, yet full foliaged growth habit. Stems are well over a foot in length, making Ferdinand a fine new cut flower subject as well as an attractive and showy garden plant. Like all of the Harmony Type Marigolds, Ferdinand is early blooming, commencing to flower within three months after the seed is sown, and does not have the strong Marigold odor. Tr. Pkt.....50c 1/8 oz.....75c 1/4 oz.....\$1.35 Oz.....\$5.00

PRIMULA OBCONICA "PORTLAND BEAUTY" Double-Flowering

A double flowering Primula Obconica has been long sought for by plant specialists and we are glad to say that such has now been accomplished by an American grower, Ernst Eriksson of Riverside, Ill., and J. Sylvester of Oconto, Wis., both high class pot plant growers, tell us that this new Primula has a great future. Shades of dark pink, lavender-pink, and rose-pink mixed. Tr. Pkt. (About 500 seeds).....\$1.50

A. B. C. "GARDENIA"

New Double White Column Stock

This new Stock is as lovely as the exotic Gardenia from which is borrows its name—a great achievement of the plant breeder's efforts. With magnificent spikes, superbly formed and composed of florets 2 to 2 1/4-in. in diameter, this remarkable new giant Column Stock is indeed the last word in perfection for its class. Its shimmering, glistening white flowers are the purest snow white of any Stock variety yet introduced. Producing only one flower spike to a plant, the spike will however be of enormous size, 12 to 15 inches of florets and nearly 3 feet in length, and 4 or even 4 1/2 inches in depth, with the individual florets closely and compactly placed on the stem. The robust habit and uniformity of type combined with a high percentage of doubles places "Gardenia" definitely in a class by itself with no peer among the finer flowers for the high-class florists' trade

New Column Stock "Gardenia"

A Leader in the Dwarf Marigold Family
A. B. C. "Improved Harmony"

NIEREMBERGIA COERULEA (Hippomanica)

With the possible exception of Zinnia Linearis, it will outbloom any flower. It starts flowering when the plants are only about 2 inches tall, that is about 15 weeks after the seed is sown, and keeps on right up until the heavy frosts of late fall. It is at all times neat and tidy looking, the young flowers coming and covering the older flowers and seed pods. The lovely lavender-blue shade, heightened by a touch of yellow in the center, is most charming. Plants are definitely dwarf, compact—streamlined, if you will—and not over 5 or 6 inches tall, and with a spread of only 8 to 10 inches. Foliage is light gray green, very inconspicuous, and there are literally dozens of flowers in bloom at a time throughout the summer. As an edging plant, for the border along a walk, or to outline beds of larger flowers, it has no equal, while for use in the rockery it is unexcelled, and is extremely lovely in a window box or in flower pots. It is a half hardy perennial which will winter over if given some protection. In the southern warmer sections, no protection will be necessary. The plants should be cut back at the end of the season and will send out fresh growth in the spring.

Tr. Pkt.....50c 1/16 oz.....\$3.00 1/8 oz.....\$5.50

Nierembergia Coerulea (Hippomanica)

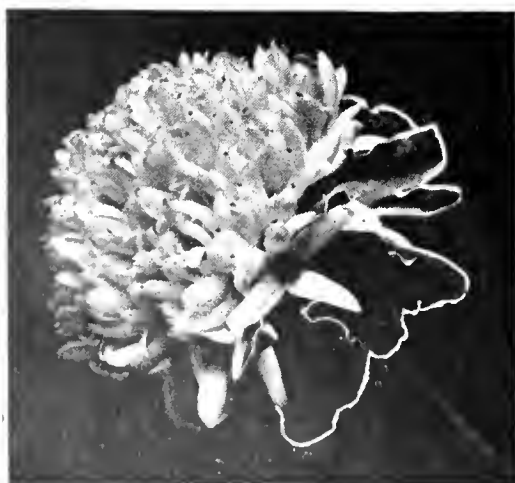

Marigold, Gigantea "Orange Sunset"

MARIGOLD, HARMONY TYPE, FRENCH DWARF DOUBLE "SPOTLIGHT"

(Bodger)

A striking, very showy companion to the popular Harmony Marigold, Spotlight takes its place on the Marigold roll of honor. The plants are about 12 inches to 14 inches high, very compact, extremely free blooming and unusually early, commencing to flower in early June, at least two weeks earlier than ordinary French varieties. The gay, brilliantly colored flowers are of medium size, about 1 3/4 inches in diameter, are borne well above the foliage, and do not have the strong Marigold odor. They have the characteristic Harmony flower formation, Scabiosa-like, with crested centers of dainty tubular petals in a bright, lively yellow shade which contrasts strikingly with the broad, velvety dark mahogany-red guard petals. Tr. Pkt....25c 1/8 oz....75c 1/4 oz....\$1.35 Oz....\$5.00

New Marigold
"Winter Harmony"
(For Greenhouse Culture)

"Marigold Winter Harmony" is an entirely new type for winter flowering in the greenhouse. It is of the quilled scabious type with a single row of reddish brown guard petals, encircling a golden orange quilled center—with mahogany brown dots on the tip of each quilled petal.

"Winter Harmony" makes a uniform growth of three feet in our field and produces 100% double 2 1/2-inch flowers. We believe it is destined to replace Lieb's, as the flowers are larger and of the new and popular harmony type.

Tr. Pkt.....25c 1/8 oz.....50c
1/4 oz.....75c Oz.....\$2.50

MARIGOLD, GIGANTEA "ORANGE SUNSET"

Like its parent variety, Sunset Giants, Marigold Orange Sunset has flowers that are loosely formed, very full centered, with broad, heavy, wavy petals which gracefully overlap to make a flower ideal not only for garden decoration but for cut flower use as well. The color is a deep, rich, lively orange, one of the most admired shades found in the Sunset Giants Mixture. The plants are strong growing, upright branching in habit, usually about 3 feet tall, producing a heavy growth of foliage, and with 6 to 8 heavy branches, each bearing 3 to 6 large flowers. Blooming commences about the first of August in most sections of the country, in late June in the southern states, and flowers can be depended on well before frost in any latitude. Orange Sunset has been tested and found to be a fine forcer in the greenhouse, and will come over 65 percent double.

Tr. Pkt.....25c 1/8 oz.....40c 1/4 oz.....75c Oz.....\$2.50

NEW MARIGOLD, HARMONY TYPE FRENCH DWARF DOUBLE "HARMONY HYBRIDS"

(Bodger)

The compact plants are 12 inches to 14 inches in height, 100% All-Double, and flowering commences about two and a half months after seed sowing—one of the earliest of all Marigolds. The neat, dwarf, compact habit of the Hybrids, combined with the extremely early, free-flowering character of the plants make this new dwarf Harmony Hybrids one of the outstanding introductions of the season. Flowers are of medium size, rather large for the French type, averaging 1 3/4 inches in diameter and do not have the strong Marigold odor. The color range includes the popular Harmony, our new Spotlight, a lovely golden orange shade, a distinct golden yellow and innumerable blotched and striped combinations of golden orange with maroon, and various shades of golden and lemon yellow with the contrasting dark maroon. All the flowers have the familiar crested center flanked by several rows of broad guard petals. As a showy garden subject, Harmony Hybrids take first honors and will undoubtedly supersede all other dwarf French types.

Stillmanii. Golden yellow, fine for cutting. Tr. Pkt....15c Oz....75c

LIATRIS (Blazing Star, Gay Feather)

Pycnostachya. Most showy and attractive with its long spikes of rosy purple flowers from July to September; 5 feet. Tr. Pkt.....25c 1/4 oz.....70c Oz.....\$2.40
Scariosa. Deep purple flowers on graceful stems 3 to 4 feet high. Tr. Pkt.35c

LILIUM

Longiflorum Praecox "White Queen." The cult of the Lilium family has experienced an immense impetus of recent years, and we are pleased to be able to supply this beautiful Lily, which, with its long snowy-white pendant flowers is remarkable for the celerity with which it can be raised from seed. The plants begin to bloom well within 12 months from the time of sowing. The flowers are of exquisite form and very freely produced. This new Lily has proved itself an excellent market plant. It received an Award of Merit from the Royal Horticultural Society in 1932. Tr. Pkt.....\$1.00 Oz.....\$12.00
Philippine Formosanum (Selected Pure White Strain). A truly remarkable Lily with umbels of large, white, long-trumpet-shape flowers, like an Easter Lily. Will bloom in 6 to 8 months from the time seeds are sown. Very fragrant. 2 to 3 feet. Tr. Pkt.....35c Oz.....\$3.20
Regale. This wonderful Lily is easily grown from seed, flowering the second season. Tr. Pkt.....15c Oz.....40c 1/4 lb.....\$1.50
Tenuifolium (Coral Lily). Bears in profusion medium-sized flowers of perfect form and of dazzling coral red. Excellent for the rock garden or for forcing; 1 to 2 feet; May. Perfectly hardy. Tr. Pkt.....15c Oz.....60c

LINARIA

Cymbalaria (Kenilworth Ivy or Mother of Thousands). Lavender and purple. A charming, neat, hardy perennial trailing plant. Tr. Pkt.....25c Oz.....\$1.40

LINUM (Flax)

Perenne (Blue Flax). A desirable plant for the border or rockery. Light graceful foliage and large blue flowers all summer long. Grows 18 inches high. Tr. Pkt.....10c Oz.....30c
Flavum. Yellow, June-Sept.; 2 feet. Tr. Pkt.....35c 1/4 oz.....50c

LOBELIA

Cardinalis (Cardinal Flower). Brilliant scarlet blooms. Tr. Pkt.....25c Oz.....\$3.00
Syphilitica. Attractive blue spikes. Tr. Pkt.....25c 1/4 oz.....85c

A. B. C. HARDY PERENNIAL and BIENNIAL SEEDS

LUNARIA (*Honesty, Moonwort*)

A very showy biennial grown primarily for the glistening silvery membrane of its seed pods which are splendid for winter bouquets. May be grown as an annual if sown early in the year. Produces attractive blooms which are splendid for cutting.

Mixed. All colors.....	.15	.80

Russell Lupins (Miracle Flowers). Extraordinary colors; many new shades never before seen in Lupins; self blues, pinks, reds, yellows, maroon, purples; bi-colors such as violet and white, blue and yellow, red and bronze, red and white, yellow and orange, pink and white, and others; the standard is one color, the keel another. Individual flowers above average size, upright standards of some being an inch across. The flower spike resembles a closely set, well rounded column of Sweet Peas. All flowers on spike open at one time from top to bottom. Requires a well drained location and thrives in cool climate.

Tr. Pkt.....	.75c	1/4 oz.....	\$1.40	Oz.....	\$5.00

PHLOX

Decussata, Mixed. Seed saved from a fine collection of named sorts. Tr. Pkt.....25c 1/4 oz.....40c Oz.....\$1.40

PHYSALIS (*Chinese Lantern Plant*)

Francheti. An ornamental variety of the Winter Cherry, forming dense bushes about 2 feet high. Bears a profusion of bright orange-scarlet lantern-like fruits which can be cut and dried, in which shape they are used extensively for floral decorations during the winter.

Tr. Pkt.....	.15c	Oz.....	.60c
--------------	------	---------	------

Franchetti Gigantea. A most outstanding introduction which we recommend to our customers with every confidence. The attractive orange-scarlet balloon seed pods are of the same color as the well-known Franchetti, but are twice as large. We are certain this new form will find favor with all who like this fine winter decorative plant.

Tr. Pkt.35c
---------------	------

PHYSOSTEGIA (*False Dragon Head*)

Virginica. One of the prettiest hardy perennials. It forms dense bushes, 3 to 4 feet high, bearing freely during the summer months spikes of delicate pink tubular flowers not unlike a gigantic heather.

Tr. Pkt.....	.25c	Oz.....	\$1.40
--------------	------	---------	--------

Tr. Pkt.....15c Oz.....50c

POLYANTHUS (*See Primula Veris*)

POPPIES (*Papaver Nudicaule*)

ICELAND POPPY

Desirable for greenhouse forcing. Sow seed in January. Also succeed well outdoors.

El Monte. A new variety of California introduction. Large flowers of deep tangerine orange. Strong wiry stems, making an excellent cut flower. Tr. Pkt.....25c ¼ oz.....50c Oz.....\$1.80

Sanford's Giant Strain. A new giant strain with blooms measuring up to 5 inches in diameter, carried on stems 2 feet long. Contains many lovely colors. Tr. Pkt.....25c ¼ oz.....65c Oz.....\$2.00

The Empress. Truly queen of the Iceland family. Distinct from all other strains, it is remarkable, first, for flower form—large, full, well formed flowers, with broad overlapping petals deeply fluted or wrinkled, giving an effect almost of doubleness, an illusion which is most delightful. Secondly, the color range is unique lovely shades of salmon rose and creamy pinks never before seen in Nudicaule Poppies, fascinating tones to intrigue the imagination. The flowers are carried on good strong stems, which make them fine for cutting.

Tr. Pkt.....25c Oz.....\$2.00

The Emperor. Without a doubt the best orange Iceland Poppy available, the same type as The Empress, with extremely large fluted petaled flowers, many with an extra row of petals. The color is remarkably true, the same shade as our El Monte, deep tangerine orange, but the flowers are larger, and are borne on very long strong stems. We highly recommend The Emperor. Tr. Pkt.....25c Oz.....\$2.00

Red Cardinal. The closest approach to that much-sought-after color in an Iceland Poppy, crimson scarlet. This novelty is as large-flowered as other Nudicaule sorts, and its intensity of color makes it a welcome addition to Iceland Poppies. Tr. Pkt.....50c

PAPAVER ORIENTALE (*Oriental Poppy*)

Tr. Pkt. Oz.

Oriente. Scarlet\$0.15 \$0.80

Brilliant. Brilliant fiery red..... .25 1.80

Mahoney. Maroon crimson..... .35 3.20

Mrs. Perry. Salmon rose.....(¼ oz., \$1.20) .35 ...

Iceland Poppy "El Monte"

PRIMULAS (*Hardy Primrose*)

Auricula. Choice mixed. Tr. Pkt...50c ¼ oz...\$1.75 Oz...\$6.00

Japonica (*Japanese Primrose*). Bright flowers borne in whorls on stems 6 to 9 inches long; mixed colors. Tr. Pkt....50c ¼ oz....\$1.00

Vulgaris (*English Primrose*). Canary yellow, fragrant.

Tr. Pkt.....50c Oz.....\$3.50

VERIS (*Polyanthus*)

Blackmore & Langdon's Superb Strain. Awarded R.H.S. Silver Flora Medal. We consider this an excellent giant strain for those desiring the finest in the polyanthus group. Tr. Pkt.....\$1.00

PRIMULA VERIS KLEYNII

It has heavy stems. Average length 8 to 12 inches, carrying immense heads of 15 to 25 florets, each floret 1 in. to 1½ in. in diameter. Rich golden yellow shaded apricot towards center. Plants average 6 flower spikes each, perfectly hardy outside anywhere in the U. S. A. Plants forced in winter can be divided up and planted out in April. These develop strong plants for the hardy border, rockery, or for forcing the following winter. Large heavy leaves. 100 seeds.....40c

250 seeds.....85c 1000 seeds.....\$3.00

PUERARIA (*Japanese Kudzu Vine*)

Thunbergiana. The fastest growing hardy climbing plant. It will grow 8 to 10 feet the first year from seed.

Tr. Pkt.....10c Oz.....30c Lb.....\$3.00

PYRETHRUM HYBRIDUM (*Persian Daisy*)

Tr. Pkt. Oz.

Grandiflorum. Single, large flowering. Mixed..... .50 3.20

Double Mixed. Extra select strain..... .50 4.00

ROSEMARY (*Rosmarinus*)

Officinalis. An old favorite aromatic herb with delightfully fragrant, light blue flowers.

Tr. Pkt.....20c Oz.....\$1.00

RUDBECKIA (*Cone-Flower*)

Newmani. Dark orange-yellow flowers with deep purple cone borne on stiff, wiry stems. 3 feet high. Flowers from July to September.

Tr. Pkt.....25c Oz.....\$1.40

Purpurea (*Giant Purple Cone-Flower*). Flowers about 4 inches across, of a peculiar reddish purple with a remarkably large cone-shaped center of brown. Forms bushy plants 3 feet high and blooms from July to October. Tr. Pkt.....25c Oz.....\$1.40

SALVIA (*Sage*)

Azurea Grandiflora. A hardy perennial variety producing during August and September spikes of pretty sky-blue flowers in great profusion; 3 to 4 feet. Tr. Pkt.....25c Oz.....\$1.80

SAPONARIA (*Soaptwort*)

Ocymoides. A very useful, hardy plant for the rockery or the border, producing from May to August masses of attractive small bright rose flowers; 8 inches. Tr. Pkt.....15c Oz.....60c

SCABIOSA

Caucasica (*Blue Bonnet*). Valuable for cutting, as the blooms last a long time in water. Color soft lavender-blue; 3 feet.

Tr. Pkt.....25c Oz.....\$2.20

Caucasica Isaac House Giant Hybrids. A great improvement over Caucasica. Colors from light to darkest blue, but delicate lilac and mauve shades predominate. Tr. Pkt.....35c Oz.....\$2.80

Columbaria Pink. Beautiful soft pink flowers 2 to 2½ inches across. Tr. Pkt.....25c Oz.....\$2.00

Japonica. Bushy plants, 2½ feet in height, and beautiful lavender-blue flowers. Tr. Pkt.....15c Oz.....50c

SEDUM (*Stonecrop*)

Acre. The well known yellow variety. Useful in the rock garden. Tr. Pkt.....25c ¼ oz.....70c

SILENE (*Catchfly*)

Attractive, profusely blooming perennials. Tr. Pkt. Oz.

Orientalis. Dark rose; 30 inches.....\$0.15 \$0.50

Schafta. Rose; 8 inches..... .25 1.80

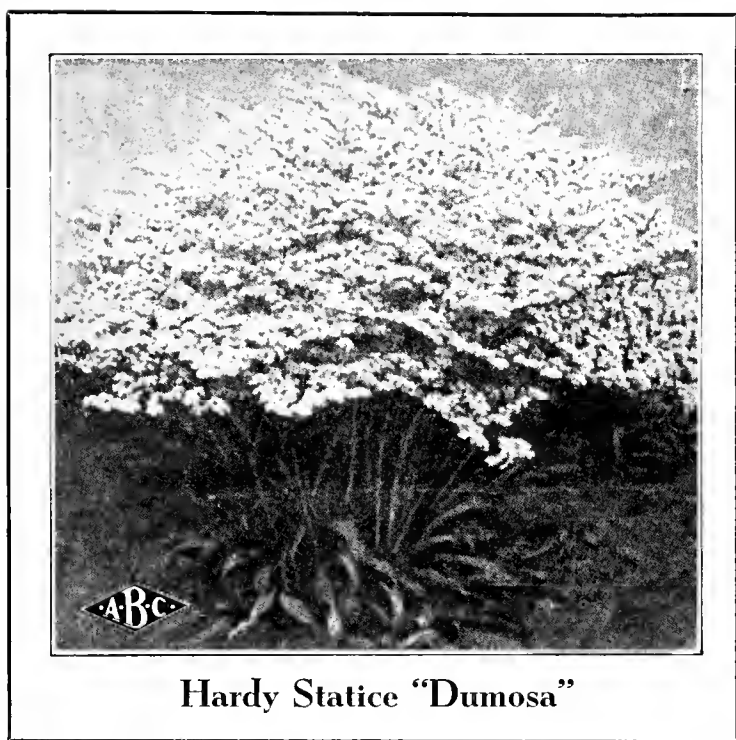

"Supreme" Quality

Flower Seeds

A. B. C. HARDY PERENNIAL and BIENNIAL SEEDS

Hardy Statice "Dumosa"

STATICE (Sea Lavender)

Splendid hardy perennials either for the border or rockery, producing panicles of minute flowers which can be dried and used for winter bouquets.

Caspia. The most beautiful of all perennial Sea Lavenders. Very vigorous in habit, with 3 foot stems carrying innumerable lilac flowers. A beautiful subject for table decoration. Tr. Pkt.25c Oz.\$2.20

Dumosa. Dense clusters of pure silver gray blooms; 30 inches. Tr. Pkt.25c Oz.\$1.60

Latifolia. Purplish flowers. Tr. Pkt.25c Oz.\$1.40

STOKESIA (Cornflower Aster)

Cyanea, Blue. A beautiful native hardy perennial, growing about 2 feet high and bearing pretty lavender-blue flowers.

Tr. Pkt.25c Oz.\$1.60

SUNFLOWER (See Helianthus)

THALICTRUM (Meadow Rue)

Aquilegifolium Mixed Colors. Elegant Columbine-like foliage and masses of flowers during June and July; 3 feet.

Tr. Pkt.25c Oz.\$1.40

Dipterocarpum. Its dainty, graceful sprays of flowers, elegantly arranged on stems 4 feet high, are invaluable for cutting. The flowers are a charming shade of violet-mauve, which is brightened by a bunch of lemon yellow stamens and anthers.

Tr. Pkt.25c Oz.\$1.50

THERMOPSIS

Caroliniana. A showy tall growing hardy perennial, producing in June and July long spikes of Lupin-like yellow flowers. 3 feet. Excellent for cutting. Seeds germinate slowly.

Tr. Pkt.25c Oz.\$2.60

THYMUS

Serpyllum (Wild Thyme). A dwarf perennial with fragrant foliage. Of creeping habit and unexcelled for rock gardens and between stepping stones. Lovely small purple blooms during the summer.

Tr. Pkt.25c 1/8 oz.60c

TRITOMA

(Red-Hot Poker, Flame Flower, Torch Lily). Early Flowering Hybrids. These are easy to grow from seed and they will come into blossom quite quickly. The seed we offer has been saved from a splendid collection. Tr. Pkt.25c Oz.\$1.60

Pfitzer's Hybrid's Scarlet. Tr. Pkt.25c Oz.\$1.80

TROLLIUS (Globe Flower)

Trollius Ledebouri. Seed should be frozen over winter for proper germination.

Golden Queen. Large orange flowers, 3 to 4 feet. Very fine early flowering variety. Tr. Pkt.50c 1/8 oz.\$1.35

Orange. 24 inches. Tr. Pkt.50c 1/4 oz.\$1.35

TUNICA

Saxifraga. A pretty tufted plant with light pink flowers produced all summer. Useful either for the rockery or the border.

Tr. Pkt.15c Oz.60c

VALERIANA (Valerian)

Mixed. Showy, hardy border plants producing large corymbs of red or white flowers. Fine for bouquets. Mixed colors; 2 feet.

Tr. Pkt.15c Oz.60c

VERBENA BONARIENSIS (New)

Perennial species from Buenos Aires, the slender freely-branched stems attain a height of 4 to 5 ft. and bear numerous terminal sprays of Heliotrope flowers during July and August. Award of Merit by Royal Horticultural Society, England, 1937.

Tr. Pkt.35c 1/4 oz.\$1.25 Oz.\$4.25

VERONICA (Speedwell)

Maritima (Longifolia). Long spikes of blue flowers from July to September. Tr. Pkt.25c Oz.\$1.40

Repens. A useful rock or carpeting plant with light blue flowers, May-June. Tr. Pkt.25c Oz.\$2.20

Spicata. 1 1/2 feet high. Has long spikes of bright blue flowers in June and July.

Tr. Pkt.35c Oz.\$1.50

A. B. C. "SUPREME QUALITY" VEGETABLE SEEDS

Grow Vegetable Plants for Home Garden Trade

Numerous florist-growers throughout the United States annually realize a handsome profit in the supplying of vegetable plants to their home garden customers; especially tomato plants, for which there is usually a large demand in suburban sections and the smaller towns. Take advantage of this opportunity to increase your spring sales. Our list of varieties is such as are best adapted to home garden culture; however, we can supply all desirable sorts of vegetable seeds in commerce and at market prices. Send us your list of needs and be assured that you will receive the same high grade as we supply in florists' flower seeds.

DIENER'S NEW BLIGHT RESISTING TOMATO
“VENTURA”

TOMATO “VENTURA”
(Blight-Resisting)

Ventura is the most perfect tomato produced so far, as it is very early. The fruit is as smooth as an apple, having a weight of four to eight ounces. Its flesh is of a fine tomato color and is very solid when ripe, so much so that it keeps solid for several weeks without spoiling or rotting, being immune from Fungi. It can be shipped in a ripe condition to very long distances. Ventura has a very delicious taste, it being a seedling of the Diener tomato which is known for its wonderful flavor when canned. It is extremely free bearing. To get the true variety always get the seed direct from us.

MISCELLANEOUS SPRING BULBS

Amaryllis, Giant American Hybrid

Amaryllis not only find a ready sale to the public in dry bulb form, but as well provide fine pot plants for store sales. Usually sell on sight when in bloom, and at a good price. Also, they are of the easiest culture.

GLOXINIA CULTURE

Gloxinias are fit companions for the tuberous rooted Begonias and the fancy leaved Caladiums. Their richly colored flowers are most outstanding. Start the tubers in 4 inch pots in a mixture of leaf mold, sand and a little well-rotted cow manure with good bottom heat. Keep shaded and as the leaves appear, be careful with the watering. You cannot do it with the hose so make use of the old fashioned way, the watering can, and go over each plant carefully, examine every one and don't apply water unless it is needed, on the other hand, they suffer every bit as much if they don't get water when ready for it, for they want a moist soil. Keep the leaves dry. To get them moist on a hot day early in the morning doesn't hurt but they soon go if you wet them every time you water the plants. They want most of all a little shade, but if you overdo it you may obtain foliage but no flowers.

AMARYLLIS (*Prize Winning English Hybrids*) (Produced in California)

While the "American Hybrids" offered below are of really HIGH QUALITY, the above strain obtains colors and shades that are in a class by themselves. Likewise flowers are of extra large size. Highly recommended.

100.....\$30.00 1000.....\$250.00

AMARYLLIS (*Giant American Hybrids*)

The value of Amaryllis depends on the quality of the strain. We buy our bulbs from several sources of known reputation and mix these strains ourselves, thus making certain that you get the best obtainable. Every bulb we ship is of flowering size and many produce more than one flowering stem.

Large Size. Per 100..... 10.00

Large Flowering Gloxinia

BEGONIAS ARE IN GREAT FAVOR TODAY

TUBEROUS ROOTED BEGONIAS

Large Flowering Type

With its bright colors, richness of foliage and easy culture it has become a favorite with the public in gardens and homes.

Emplacement. The begonia prefers partial shade and not too warm a place where they will give best results specially in wet summers. For the cultivation in greenhouses, shade is necessary.

CULTIVATION. Forcing can be started in February, March or April depending on the time they should be in flower. The bulbs are placed in boxes, on light porous soil close together, and then covered with earth to a depth of one inch above the bulb. The earth should be kept just moist, too much water will rot the bulbs.

When the plants begin to develop they are placed in pots.

PLANTING OUTSIDE. In May-June (according to climate) they can be planted outside, preferable in loose soil, and shaded for some days after planting. The distance between the plants should be about 8 inches. A teaspoonful of ammonium phosphate around each plant added in July will stimulate growth and flowers.

Double Flowered Tuberous Rooted Begonia

BEGONIA MULTIFLORA

(Lilyput or miniature Begonias)

Very graceful and attractive

This group of Tuberous Begonias which we are offering for the first time this year are not exactly new. However, they have not been distributed or grown in America with the popularity which they rightly deserve, as they have been in Europe for the last twenty-five years.

They differ from the large flowered types in having a dwarf bushy growth covered all summer with a mass of small flowers 1½ to 3 inches in diameter. The character of their growth makes them invaluable for borders or bedding purposes as they form a veritable carpet of color.

	Per 100

STRONG NORTHERN TEXAS GROWN—TRUE TO NAME LARGE FLOWERING CANNAS

DORMANT ROOTS, 3 to 5 Eyes

Ambassador. Brilliant red, bronze foliage; 4 feet. A distinguished looking Canna. Flowers vivid cherry-red; has luxurious tropical foliage prettily bronzed and makes a splendid color contrast with its brilliant blossoms.

City of Portland. Deep pink. Green foliage 3½ feet. Extra good flower. Does not fade.

Hungaria. 3½ feet. La France pink.

King Midas. Clear yellow, green foliage. The finest and largest yellow Canna in existence.

Mrs. Alfred Conard. One of the very best Cannas in commerce today. Large, exquisitely shaded salmon-pink flowers are produced in great abundance on robust, upright stalks. We consider this as superior to all pink flowered Cannas. 4 feet.

King Humbert. This remarkable Gold Medal Canna has been the sensation of the past ten years and is the greatest favorite today. Handsome, broad, tropical foliage. Scarlet flowers; bronze leaves. 4 feet.

Yellow King Humbert. 4 feet. An orchid-flowering sport of the well-known King Humbert. Flower a deep, rich yellow, softly spotted and blotched with bright red. Some plants occasionally give a scarlet or scarlet striped flower, which we consider an improvement rather than a detriment. Green foliage.

The President. 4 feet. This immense new flaming scarlet has come into wider use more quickly than any other Canna. The President leads the red varieties in the quality and also the quantity of its bloom. The foliage is rich green and burn-proof in the hottest weather.

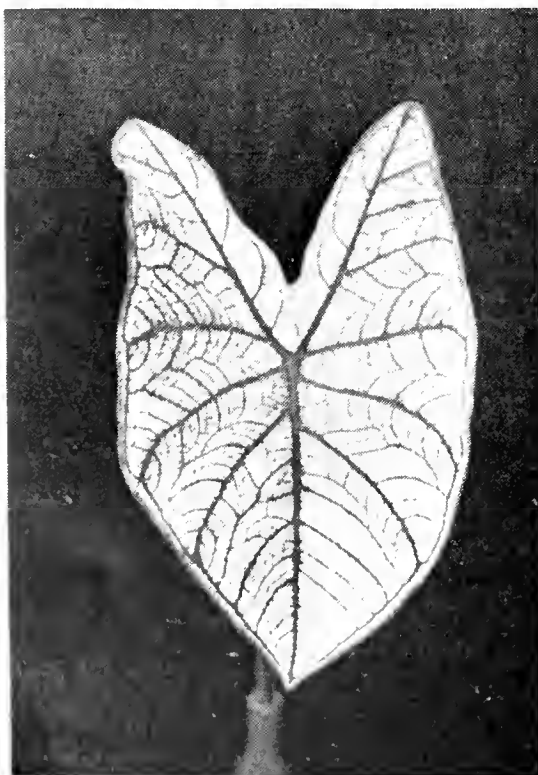

All of the above varieties offered at the special low price of:
100.....\$4.00 1000.....\$32.00

Canna, The President
The Last Word in Red-Flowered, Green Foliage,
Large-Flowering Cannas

ISMENE CALATHINA (Peruvian Daffodil)

Flowers pure white, very fragrant. Bulbs 2 inches and over. Per 100.....\$10.00

Fancy Leaved Caladium

These exotic tropical foliage plants, with gorgeous coloring, provide a brilliant subject unexcelled for many uses. Taking little care, they are ideal for the home, hotel, store or office. Use them for pot plants, window boxes, plant arrangements and wall brackets . . . and don't overlook recommending them for summer use outdoors, around pools and bog gardens or in those shady nooks where color is at such a premium.

TUBEROSES

Our strain of "Pearl" is the true, large-flowered type, far superior to the old variety. Bulbs are clean and properly graded in sizes offered.

Double Pearl. 3 to 4 inches. 100.....	\$2.00	1,000.....	\$15.00

Picardy

IMPORTANT NOTE

“The Control of Gladiolus Thrips”

Notwithstanding that a grower may start his cultures with perfectly healthy bulbs (corms) thrips may develop in his plantings by invasion of the pest introduced from untreated corms planted in the vicinity, and consequently spraying with “Tartar Emetic” becomes necessary. In this connection we supply, free of charge, copy of circular containing information suggested by the Bureau of Entomology, Washington, D. C., which fully covers the application of above.

A. B. C.

TARTAR EMETIC

1 lb. Packages. Each\$0.79

Formula: Per 100 gallons water — 4 lbs. Tartar Emetic, 16 lbs. brown sugar.

A. B. C. “SUPREME” QUALITY GLADIOLUS BULBS

With a total output of *some twenty million gladiolus produced exclusively for bulb harvest and only from young corms, not as a “by-product” of cut flowers*, we are in a position second to none to furnish stock that obtains *the required vitality to produce 100% results for the grower.*

A. B. C. “SUPREME” QUALITY GLADIOLUS BULBS are produced primarily in northern Indiana in sandy loam and are thoroughly cured. Our Indiana grower, likewise other reliable sources from whom we contract, hold Agricultural Inspection Certificates, certifying all bulbs free from thrips and other diseases.

Lilium Speciosum Rubrum (Magnificum) planted on the dates mentioned opposite will take six to eight weeks longer to flower than Lilium Giganteum. Lilium Rubrum "Magnificum" should be planted June 15th to July 1st to flower for Christmas.

The schedule mentioned opposite indicates, however, approximate flowering dates. If extremely warm weather exists meantime they may flower a month earlier. It largely depends on weather conditions.—A. B. C.

Lilium's Giganteum and Rubrum (Magnificum) from cold storage are available almost the entire year.

LILIUM HANSONI

A choice Korean species bearing many handsome yellow flowers with thick petals. It is very hardy and easily grown but should be planted in partial shade. Plant 6 inches deep. Height, 3 to 4 feet. Blooms in the open. Succeeds well under greenhouse culture.

TIGRINUM FL. PL. (Double Tiger Lily). The only double Tiger Lily worth growing. Per 100.....\$11.00

VARIOUS LILIUMS

CANADENSE. Drooping bells which vary from yellow to red with maroon dots. Per 10.....\$1.50 Per 100.....\$10.00

CERNUM. Lovely pink flowers, pine-leaved. We consider this an interesting novelty in the assortment of Hardy Lilies in cultivation. As far as we know it is an origination of Japan. Nature of growth is similar to the variety Tennui-folium, however, it is much stronger, producing from 5 to 10 flowers to each stem. Per 10.....\$2.50 Per 100.....\$18.00

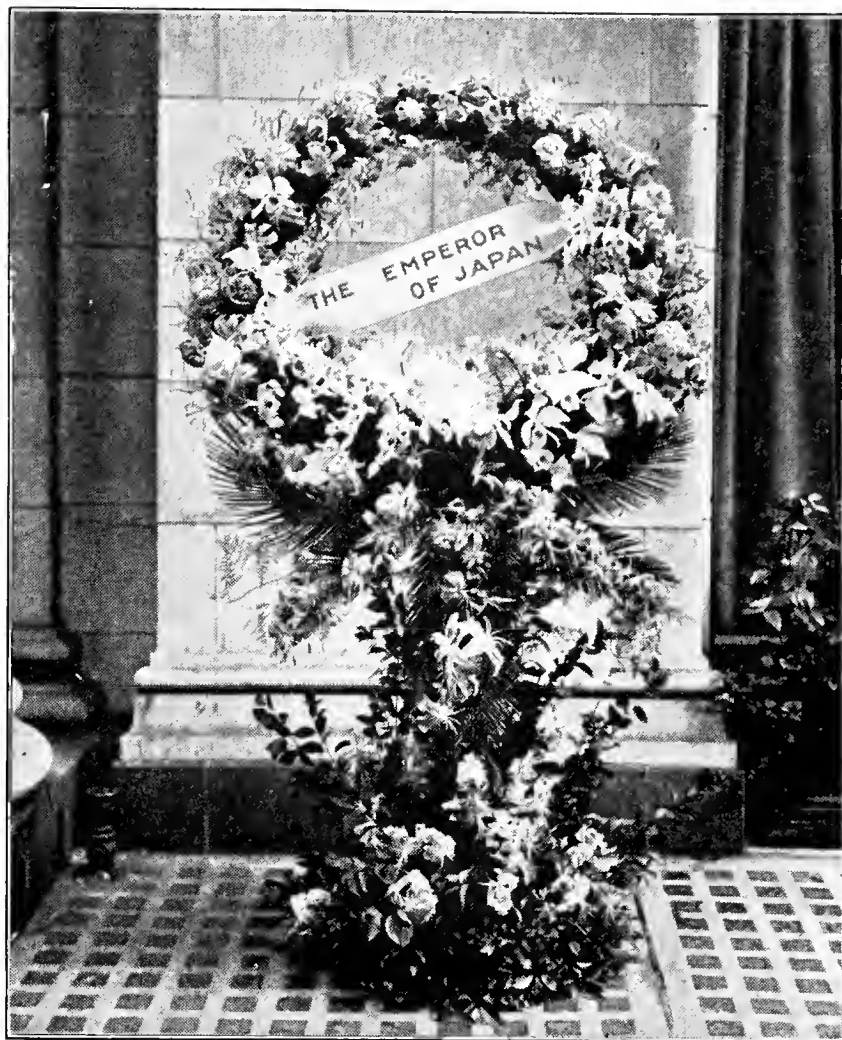

DAVURICUM. Flowers of rich orange shade, flushed red and spotted black. June and July. 2 feet. Per 10.....\$2.00 Per 100.....\$15.00

ELEGANS. Very hardy dwarf lilies, erect flowers of orange. Per 10.....\$1.50 Per 100.....\$11.00

SUPERBUM (Swamp Lily). Graceful stems five to six feet, terminating in a pyramid of bright orange crimson flowers. Per 10.....\$1.50 Per 100.....\$10.00

UMBELLATUM GRANDIFLORUM. A very showy Lily of easy culture, bearing in June, large, handsome, rich orange flowers shaded red. Very effective in shrubbery and flower borders. Per 10.....\$1.50 Per 100.....\$12.00

Lilies work so wonderfully well into a great variety of basket designs that we believe it will pay you to have a good planting of several varieties.

Lilium Rubrum (Magnificum)
"The Aristocrat of Lilies"

Standing Wreath composed of Orchids and Lilium Rubrum "Magnificum" (Oriental Orchids). There is no Lily that lends itself so gracefully to floral work of all kinds. Has a particular charm all of its own. Easily grown. Photograph by courtesy of Small's Flower and Garden Center, Dupont Circle, Washington, D. C.

(See colored illustration on inside back cover)

LILIUM PHILIPPINENSE FORMOSANUM

A distinct Lily of refined and graceful appearance, with long, grassy foliage and exquisitely shaped long, wide-mouthed trumpet flowers of the purest white, slightly colored externally with reddish brown. This outside coloration fades as the flower matures. Blooms September. Height, 3 to 6 feet. Plant 8 inches deep.

VARIOUS LILIES
ILLUSTRATED IN COLOR
ON INSIDE BACK COVER

LILIUM TENUIFOLIUM

(So-called "*Miniature Lilium Rubrum*")

For under-glass culture, they can be planted in a Darwin Tulip bulb pan, set 4 inches deep and 3 inches apart, since they are a stem rooting type. They come into bloom in approximately 14 weeks. Also, owing to their slender stems and fine, narrow foliage, *Lilium Tenuifolium* can be planted between Carnations right in the benches. Color, brilliant scarlet. Flowers outdoors in June, perfectly hardy.

Strong Blooming Bulbs. 100.....\$6.00 1,000.....\$55.00

TENUIFOLIUM GOLDEN GLEAM. A pure golden yellow form.
Per 10.....\$2.00 Per 100.....\$15.00

LILY-OF-THE-VALLEY PIPS

Re-selected Exhibition German Pips

The reputation of A. B. C. Supreme Quality Lily-of-the-Valley is so well established in the trade that little can be added by any commendation on our part.

Beside their cut-flower worth, Lily-of-the-Valley have an added sales value in that Pips can be sold profitably for planting in various receptacles in the home. They can easily be bloomed in four weeks, in moss, sand or soil. A great deal of interest can be created by displaying about 12 growing Pips in a fancy bowl in some prominent spot in your store. The ease with which they can be grown will interest most of your customers in buying them. If merchandised properly, you will find them an extremely profitable item.

STEPHANOTIS

Now in much favor for cut flowers or as a pot plant. Stephanotis Floribunda is rapidly gaining popularity as a spring-flowering pot plant. This plant has always been grown for cut flowers and not until the past few years did it find a place as a potted plant. Stephanotis is a vine which grows rapidly after it has been well established, has good foliage and will carry as high as 300 to 500 flowers at one time. The flowers are white and will last well on the plant. This plant will flower over six months and when not in flower is an attractive foliage plant.

Part I is devoted to opportunities and responsibilities of the florist's business. Part II has 300 pages of cultural information, written by a retail grower of lifelong experience. 646 pages. Illustrated.....**\$5.50**

CHRYSANTHEMUMS

SELECTED ROOTED CUTTINGS

New and Standard Varieties

Produced by the well-known specialists, Messrs. Yoder Bros., whom we might say, enjoy the happy faculty of supplying

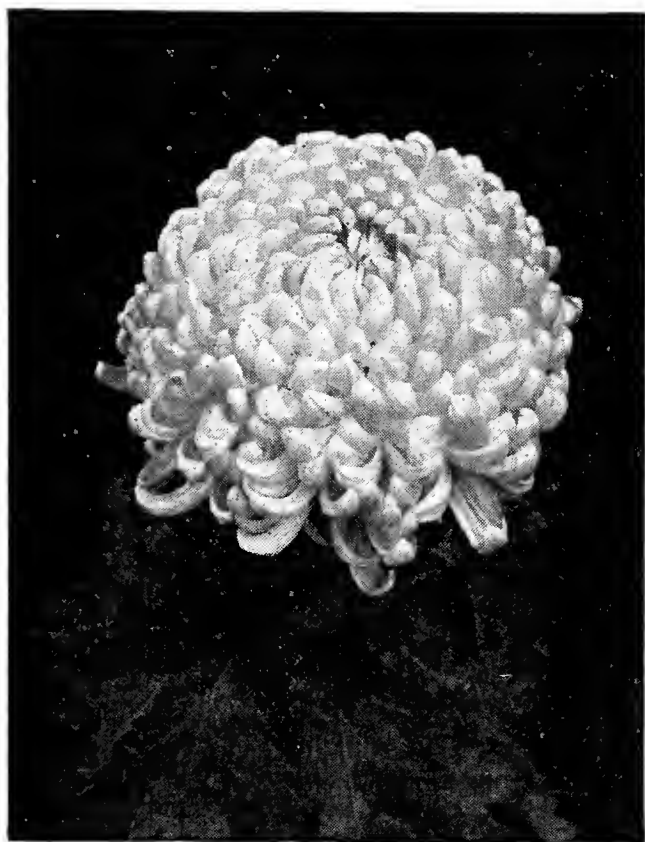

"QUALITY AND SERVICE THAT SATISFIES"

In our Novelty Section will be found introductions by V. R. De Petris, Bristol Nurseries and Yoder Brothers. Descriptions are by the originators.

Early orders will, we believe, result to our mutual advantage. Please state on your requisition as to when delivery is desired.

Many of the largest growers in America have decided that it is more profitable to secure cuttings every year at the low prices offered rather than propagate their own stock. This enables the florists to assure themselves of robust plants free from disease and true to name.

Look this list over carefully for better varieties. Should you require information, write us. We will advise you what the large growers are producing. If you are having trouble with any of your varieties we will try to recommend better ones.

SPECIAL EARLY ORDER DISCOUNT. When an order is placed two months, or more, in advance of delivery date, a discount of 5% is allowed, **provided delivery date is April 1st, or later.** Be sure to show on your order, date cuttings are wanted.

Special Discounts for Large Orders:

The following discounts, for quantities given, will apply on orders placed **at one time** for the quantity on which discount is taken.

- 5% discount for an order of 10,000
- 7½% discount for an order of 25,000
- 10% discount for an order of 50,000

Please note accompanying schedule showing rates per 100 and corresponding rates per 10. **We do not supply less than 10 of any variety,** except first year Novelties.

Rate per 100	Rate per 10	Rate per 100	Rate per 10
\$3.00	\$.50	\$ 8.00	\$1.50
4.00	.50	10.00	1.50
5.00	1.00	12.00	2.00
6.00	1.00	15.00	2.50
7.00	1.25	20.00	3.00

Please Note:

In figuring your order, please note that ten cuttings are billed at the ten rate; 15 or 20 also at the ten rate; 25 cuttings at the hundred rate; 250 cuttings or more, of one variety, at the thousand rate. **Please note this carefully.** Also, if your order should total 900 cuttings (for example: 100 each of 9 varieties at \$3.00, total \$27.00, while if 1000 are ordered, the thousand rate would apply at \$27.50). This point should be watched in figuring your order so that you may have advantage of the thousand rate, on the entire order. Thus, you will note, 1000 cuttings can be purchased for just a little more at the thousand rate, than 900 cuttings figured at the hundred rate. **Watch this.**

Because of the perishable nature of Mum Cuttings, we do not send them C. O. D. but when necessary to do so, we request that 50% of the amount be enclosed with your order.

Shipping Information:

All our stock is propagated at Barberton, Ohio, from where it is shipped by Express Collect. We do not advocate shipping chrysanthemum cuttings via parcel post.

SPECIAL NOTE !

If in doubt as to varieties best suited to your needs we shall be glad to make selection (without responsibility to ourselves, however), if you will indicate colors desired, type and whether early, medium or late-flowering sorts are wanted.

Also in this catalog are two duplications of names, as follows:

December Glory—A large mum.
December Glory—A pompon.

Innocence—A hardy Korean pompon.
Smith's Innocence—A white anemone.

When either of these varieties is ordered, kindly specify clearly which is intended.

"Supreme" Quality

Bulbs - Plants

CHRYSANTHEMUM NOVELTIES

Strong Rooted Cuttings

NATOMA (De Petris Introduction)

An excellent large flowered pompon which matures about October 25. A good producer and sturdy grower with rigid stems and beautiful foliage. Possesses good form and excellent spray formation.

Color, brilliant tomato red with an attractive sheen typical to Korean hybrids. An extremely attractive shade which makes it stand out above others.

We recommend Natoma as an excellent addition, which is certain to become popular as an excellent early pompon with an attractive fall color. A good variety for shading.

Price for Rooted Cuttings: \$2.50 per 10, \$15 per 100, \$125 per 1000

DECEMBER GOLD (De Petris Introduction)

A large pompon maturing December 5 and later.

Excellent growing habit with good stem and foliage.

Intense gold color which is quite brilliant and appealing.

An excellent producer, which should make it a favorite with both grower and retailers.

Price for Rooted Cuttings: \$2.50 per 10, \$15 per 100, \$125 per 1000

PROSPERITY (De Petris Introduction)

A late deep pink pompon which matures about the 10th of December. An excellent grower and heavy producer which will meet with favor with anyone who can use this color.

Price for Rooted Cuttings: \$2.50 per 10, \$15 per 100, \$125 per 1000

SILVER EMBLEM (De Petris Introduction)

A white anemone with creamy white cushion suitable for growing in sprays.

An excellent grower with good stem and foliage, with average production. The originator does not claim this is an outstanding variety, but it is the best daisy type anemone to date.

Very useful where pure white flowers are needed.

Matures about November 1.

Price for Rooted Cuttings: \$2.50 per 10, \$15 per 100, \$125 per 1000

POMPONETTE (Bristol Introduction)

A new and distinct type of pompon particularly suited to pot culture. Its habit is dwarf, compact and branching, forming a finished plant about 12-15 inches in height. Grown in cold frames without protection it will flower naturally about September 20th—under glass in early October, so that its season can be timed readily. It requires little or no pinching. Blossoms are comparatively large, 2½ inches across and very double. Color is warm bronze in the bud or partially opened flower finishing a clear primrose yellow. It should prove an ideal subject for pot culture.

Price for Rooted Cuttings: \$2.50 per 10, \$15 per 100, \$125 per 1000

MELODY (Bristol Introduction)

A splendid free-flowering single Korean quite distinct in its rugged branching habit and fine effect. Flowers are all of medium size, with three rays of petals and slightly cupped in form. It handles splendidly as a cut flower. Color is a lovely soft daphne shade. In full flower late October. Height 3 feet.

Price for Rooted Cuttings: \$2.50 per 10, \$15 per 100, \$125 per 1000

SWAN (Yoder Introduction)

A large white anemone with a crystal clear white, informal type petal, of good substance, and a chartreuse green center which gradually changes with fuller development to a clear white.

Blooms December 1-10.

Flowers attain a diameter of about 4 inches when disbudded to 3 flowers per spray; can also be grown disbudded to 1 flower.

A free grower with relatively small foliage.

Takes water freely; ships unusually well and is a very good keeper.

Price for Rooted Cuttings: \$2.50 per 10, \$15 per 100, \$125 per 1000

GLEAM (Yoder Introduction)

A large anemone with a low well proportioned center.

Color is a clear deep sulphur yellow which does not fade.

Blooms about December 5.

Price for Rooted Cuttings: \$2.50 per 10, \$15 per 100, \$125 per 1000

BLAZE (Yoder Introduction)

A red single which blooms December 10-15 and can be held for Christmas.

Color is a deep glowing cardinal red.

Flowers are 2 inches in diameter on long graceful petioles.

This variety is a vigorous grower, tall, has attractive small dark green foliage; is free of blind growth; a good producer and easy to grow.

Price for Rooted Cuttings: \$2.50 per 10, \$15 per 100, \$125 per 1000

FAWN (Yoder Introduction)

A bright golden yellow single. Blooms December 5.

Flowers are 2 inches in diameter, with 5-6 rows of sturdy petals.

This variety has a good wiry habit of growth, attains a medium height and fills the need for a good quality, late, yellow single.

Price for Rooted Cuttings: \$2.50 per 10, \$15 per 100, \$125 per 1000

VIKING (Yoder Introduction)

A heavy petaled bronze single.

Color is an intense, deep bronze on immature petals shading to a golden bronze as they mature. Blooms December 1.

Flowers attain a diameter of 2½ inches. The 5-6 rows of petals are so arranged as to give depth and design to the flower.

This variety makes a strong vigorous growth and is a fair producer.

Price for Rooted Cuttings: \$2.50 per 10, \$15 per 100, \$125 per 1000

PEARL (Yoder Introduction)

A large pompon, clear opaque white, of unique globular form.

Blooms about November 20, just after Chicago Pearl, which variety it resembles.

A fast growing, strong, wiry stem; relatively small foliage, and a good producer.

Price for Rooted Cuttings: \$2.50 per 10, \$15 per 100, \$125 per 1000

SNOW (Yoder Introduction)

A medium sized ivory white pompon that blooms December 25 and later.

Flowers are well spaced on a good strong spray.

Growth is very sturdy; plants attain medium height.

This is a good quality pompon to bloom with Garza Supreme.

Price for Rooted Cuttings: \$2.50 per 10, \$15 per 100, \$125 per 1000

YELLOW PRINCETON (Yoder Introduction)

A bright yellow sport from Princeton. Color is a clear yellow with none of the orange shading found in variety Princeton.

Price for Rooted Cuttings: \$2.50 per 10, \$15 per 100, \$125 per 1000

DARK PINK VALENCIA (Thos. J. Sullivan) (Yoder Introduction)

A deep pink sport from Valencia. It differs from that variety in color only.

The color however is sufficiently intensified to make this a distinct new addition to the list of pink singles.

Price for Rooted Cuttings: \$2.50 per 10, \$15 per 100, \$125 per 1000

YELLOW CHATTANOOGA, IMP. (Vaughan Introduction)

A sport of Chattanooga that retains its vigorous growth and fine form.

Price for Rooted Cuttings: \$2.50 per 10, \$15 per 100, \$125 per 1000

Pompon and Decorative Commercial Varieties

The term pompon is applied to those varieties which are of the true rounded type, and those very nearly approaching this type. Decorative varieties are those which are a distinct departure from the rounded type. Their flowers are less compact, partly reflexed and display more of the color of the inner side of the petals. Size of flower is indicated by S—small; Int.—intermediate; L—large.

			Price per

HARDY CHRYSANTHEMUMS

The trade is now well aware of the fact that in recent years wonderful strides have been made in Hardy Chrysanthemums. Hundreds of new varieties having been recently introduced, and our specialist grower has checked carefully practically every new kind with the result that we are now in position to supply, in addition to the varieties listed on this page (and which as you will note are furnished only in strong rooted cuttings) every worthwhile kind. Some from 2-inch pots and others in strong field roots. (See abridged list in following page in this book.) Special catalogue of additional kinds issued February 1st. If interested, write for free copy.

DESIRABLE PLANT STOCK FOR THE FLORIST-GROWER

The following are products of specialist growers who have served the trade faithfully for many years and with utmost satisfaction. They supply quality stock, packed to insure safe arrival.

"Supreme" Quality

Bulbs - Plants

NEW DELPHINIUM "GIANT PACIFIC HYBRIDS"

(Vetterle & Reinelt)

This is a beautiful strain of Delphinium Hybrids. The flowers shown in the above illustration were cut in July from 2-inch pot plants, planted out the first of May. It is best if the flowers are cut as they develop. The plants will then continue to produce large flower spikes 24 to 30 inches in length

throughout the entire season. The individual flowers are large, 2 to 3 inches in diameter of beautiful shadings and of good form and substance. In addition to their value as cut flowers, they make a very striking showing in garden plantings. The colors offered below will run about 75% true.

LAVENDER SHADES
LIGHT VIOLET SHADES

DARK VIOLET SHADES
LIGHT BLUE SHADES

DARK BLUE SHADES
PURE WHITE

Well established 2-inch pot plants of all of the above shades: Per 10 . . . \$1.50 Per 100 . . . \$10.00

FOR LIST OF "PACIFIC HYBRID" DELPHINIUM SEEDS, SEE PERENNIAL SEED PAGES IN THIS BOOK.

HARDY PERENNIAL PLANTS

The following pages contain some of the most desirable Hardy Perennial plants for cut flower production and garden show as well. We are also in position to furnish every worthwhile variety, produced by a specialist who is renowned for quality. Our special complete catalogue of Hardy Perennial Plants ready February 1, 1940. If interested write for a free copy.

AQUILEGIA

BEE'S HYBRIDS. Beautiful mixture of colors, large flowers.

Field Grown, Per 10, \$1.50; Per 100, \$10.00

MRS. SCOTT ELLIOTT HYBRIDS. There is not a better mixture grown in the world. Wonderful colors and color combinations, with very long spurred flowers. Colors range through shades of lavenders, mauves, blues, purples, whites, creams, yellows, pinks, reds, etc.

Field Grown, Per 10, \$1.50; Per 100, \$10.00

LONG SPURRED ROSE QUEEN

Field Grown, Per 10, \$1.50; Per 100, \$10.00

ASTERS

Hardy

Aster Frikarti, Wonder of Staffa. Lavender-blue flowers from 2 to 2½ inches across, produced from June first until the middle of November. Does exceedingly well in light shade and comes to perfection in full sun. A constant rich display of flowers is kept up the entire summer. Flowers are excellent for cutting.

Well established 2" pot plants.

Per 10, \$2.00; Per 100, \$15.00

ASTER, STAR OF WARTBURG. Large lilac blue flowers with a striking orange center are produced on 12 to 14 inch stems about the middle of June. A strikingly beautiful plant in the rocks garden or in any perennial bed. While very striking in its permanent location, at the same time the flowers can be cut and used in the better types of floral pieces. In addition to its outdoor cut flower value, this plant is an excellent forcer. When grown in a cool temperature under glass, it will flower in the months of March and April, producing even longer stems indoors than outdoors. We recommend that you purchase a good quantity of this valuable plant either for outdoor growing or under glass. We are sure it will provide additional profits for you.

Field Grown, Per 10, \$1.50; Per 100, \$10.00

BUDDLEIA'S

(See Back Cover for colored illustration of Buddleia "Charming")

"DUBONNET." The color is an exact counterpart of the popular French wine Dubonnet, a beautiful new shade which has recently been popularized in dress fabrics. In sunshine and under the lamp it glows almost a true red. The spikes are solid and well rounded out with large, individual florets. The plant is of robust erect growth with strong stems. The leaves are large and of firm leathery texture. A good late summer cutflower harmonizing well with other outdoor blooms.

2-Yr. Field Grown, Per 10, \$4.00; Per 100, \$30.00

BUDDLEIA ILE DE FRANCE. One of the most desired Buddleias. The plants develop into well branched symmetrical bushes 3-4 ft. high; the individual flower spikes often measure 10 in. in length, color is a brilliant rosey purple with a violet suffusion. Their fragrance adds another feature to their beauty.

We offer strong 2-yr.-old plants.

Per 10, \$2.00; Per 100, \$15.00

2¼" in. Pots, Per 10, \$1.50; Per 100, \$10.00

BUDDLEIA'S (Continued)

"HARTWEGI." The large bright lavender panicles have remarkable substance and harmonize in arrangements with other flowers. The flowers do not "sunburn." The individual florets are closely spaced on the panicles, imparting a compact and pleasing appearance. The foliage is very heavy and is rich dark green.

2 yr. Field Grown.

Per 10, \$2.00; Per 100, \$15.00

CHRYSANTHEMUMS

Hardy

SENSATION. Single yellow with every petal tipped scarlet. Very showy and reliable.

ELEGANCE. Large single flowers of a violet tyrian rose color.

THE CHIEF. An extremely attractive semi-double variety of large size. Bright scarlet and gold.

AGLOW. Double variety with deep bright orange flowers.

LOVELIGHT. Large pale pink duplex flowers on a vigorous plant.

SEQUOIA. A Korean Hybrid type, producing elegant good-sized double blooms of a mellow amber color.

INTENSITY. A single variety with deep crimson-scarlet flowers. Upright habit of growth. Korean type.

MRS. SAM P. ROTAN. A perfectly double flower of brilliant golden yellow, shading to deep orange. Compact and free. One of the most striking of recent achievements.

RAPTURE. Lovely, medium sized, double flowers combining a beautiful deep orange with a lively suffusion of bright carmine. Flowers in September.

Popular cushion varieties—**BRONZE CUSHION, WHITE CUSHION, PINK CUSHION, YELLOW CUSHION.**

All of the above supplied in well established 2" pots.

Per 10, \$1.50; Per 100, \$8.00

Following are the latest introductions and of exceptional quality—

BURGUNDY (Double Korean) rich cerise crimson

MANDARIN (Double Korean) coral salmon

PALE MOON (large flowering) sulphur yellow

EMBER (double Korean) coral-orange and bronze shades

PYGMY GOLD (Korean pompon) clear golden yellow

ROMANY (double Korean) carmine red with bronze tones

ROSE GLOW (large flowering) raspberry color changing to opalescent rose

SUNNY BOY (large flowering) opens yellow changing to bronze

LAVENDER LADY (large flowering) silvery lavender

All of the above supplied in 2" pot plants.

Per 10, \$2.00; Per 100, \$15.00

DELPHINIUMS

Perennial Larkspur

The Most Popular Varieties

BELLADONNA IMPROVED (Cliveden Beauty). Our strain of Belladonna Improved is produced from stock seed of Cliveden Beauty, carefully selected to keep it absolutely pure and true to type. It is far superior to much of the so-called Belladonna Improved that is on the market today.

1 yr., Per 10, \$1.00; Per 100, \$ 7.00

2 yr., Per 10, \$1.50; Per 100, \$10.00

BELLAMOSUM. This is a dark blue form of the popular light blue Belladonna, with which it is identical in habit and growth, freedom of bloom, but with intensely rich, deep blue flowers.

1 yr., Per 10, \$1.00; Per 100, \$ 7.00

2 yr., Per 10, \$1.50; Per 100, \$10.00

NOTE: Improved Belladonna and Bellamosum are excellent for forcing as well as outdoor culture, providing excellent cut flowers.

BLACKMORE & LANGDON HYBRIDS. For many years, we have grown many different strains of Delphinium having in mind to supply our customers with the best obtainable. This strain without a doubt stands in a class by itself. It has the range of colors well divided in the pale shades of Indigo with a strong run of the most delicate shades of rose, double and single.

1 yr., Per 10, \$1.50; Per 100, \$10.00

2 yr., Per 10, \$2.00; Per 100, \$15.00

SUPERB WREXHAM OR HOLLYHOCK STRAIN. The Wrexham strain has tall spire-like spikes of bloom with the individual flowers of good size and thickly studded on the spike. In fact the spike is a solid mass of bloom. Our superb strain is a careful reselection which includes all shades from very pale blue, lavender and orchid to the deepest and richest purples and blues.

1 yr., Per 10, \$1.50; Per 100, \$10.00

2 yr., Per 10, \$2.00; Per 100, \$15.00

GIANT PACIFIC HYBRIDS (Vetterlee and Reinelt). True strain lavender shades, light violet shades, dark violet shades, light blue shades, dark blue shades, pure white. (See illustration in this book.)

Well established 2" Pot Plants of the above
Per 10, \$1.50; Per 100, \$10.00

GAILLARDIA

New Everblooming Gaillardia GOLDEN GODDESS

Being offered for the first time this year

Here is a real everblooming Gaillardia every florist should have. Grows to a height of about 24 inches, making good bushy plants. Practically all its branches grow full length on which beautiful, golden yellow flowers are produced. The rich, golden yellow flowers are really very striking in practically all floral work.

Our plants will be well established in pots and ready for shipment from the 15th of March on.

2" Pots, Per 10, \$1.75; Per 100, \$12.00

"Supreme" Quality

Bulbs - Plants

HARDY PERENNIAL PLANTS (Continued)

GYPSOPHILAS

Popular Kinds

GYPSOPHILA REPENS BODGERI

Grows to a height of 12 inches with a spread of 18 to 24 inches. Produces the first double white flowers which in three or four days turn to flesh pink. It is an ever-bloomer, from early spring until late fall. The reason for this heavy run of sales we believe is due to the fact that Bodgeri is an everbloomer, filling in the gap between crops of Bristol Fairy. We have for shipment this spring extra fine quality plants.

Field Grown, Per 10, \$1.75; Per 100, \$12.00

Well established 2" Pot Plants,
Per 10, \$1.25; Per 100, \$8.00

BRISTOL FAIRY

During last summer we grafted large quantities of Gypsophila Bristol Fairy, using field grown scions. Our plants are now properly rested and full of vitality. They are well established in 3 inch pots and are in excellent condition for planting this spring. Gypsophila produced by this method will start off growing immediately after planting and in early summer will produce flowers, continuing during the entire season.

Due to our method of propagation, we are recognized as leaders in the production of fine quality Gypsophila. Annually we ship very large quantities to all parts of the United States.

Fully established 3 inch pot plants,
Per 10, \$1.50; Per 100, \$12.50

Strong field grown roots, good quality,
Per 10, \$2.00; Per 100, \$17.50

GYPSOPHILA (Double Colorado Type)

Produces double, pure white flowers on 18 to 24 inch stems. Our propagations are from the genuine Colorado roots and will produce the same type of Gypsophila flowers that you purchase from the wholesale cut flower houses in dry form throughout the winter months. It will provide for you the genuine Colorado Gypsophila flowers for many years to come.

Field Grown, Per 10, \$2.50; Per 100, \$20.00

Well established 2" Pots,
Per 10, \$2.00; Per 100, \$15.00

GYPSOPHILAS (Continued)

GYPSOPHILA ROSY VEIL

A Novelty of European introduction, for the first time available in quantity. In character it is in every way like the very popular Bodgeri, except that this variety comes out a very pretty pronounced pink, making a wonderful companion for the preceding. Rosy Veil is very valuable in floral work for very often this shade of pink will add the finishing touch to set off a design in beautiful style. This is also an everbloomer, producing flowers practically all summer, in beautiful clusters.

Strong Field Grown,

Per 10, \$1.75; Per 100, \$12.00

Well established 2" Pots,
Per 10, \$1.25; Per 100, \$8.00

FLAMINGO (Paniculata)

First crop produces white flowers same as "Bristol Fairy". Second crop a desirable pink shade, a worthy addition to the Gypsophila family.

2½" Pots, Per 10, \$3.00; Per 100, \$25.00

PEONIES

Strong 3 to 5 Eye Divisions

BARONESS SCHROEDER. White with shading of flesh.

Per 10, \$2.00; Per 100, \$16.00

FELIX CROUSSE. Brilliant red.

Per 10, \$2.00; Per 100, \$15.00

MONS. JULES ELIE. Glossy lilac pink. "King of all peonies."

Per 10, \$2.00; Per 100, \$16.00

PRES. ROOSEVELT. Deep rich brilliant red.

Per 10, \$2.00; Per 100, \$18.00

SARAH BERNHARDT. Apple blossom pink, silver tipped.

Per 10, \$2.50; Per 100, \$20.00

PEONIES UNDER COLOR (Selected from Choice Named Sorts)

Recommended for "over the counter" store sales to the garden planting public. Not to be compared to divisions from old "worn out" plants as the quality is "tip-top" in every way.

Red Shades—Pink Shades—White Shades

Strong 3 to 5 Eye Roots

Per 10, \$1.50; Per 100, \$10.00

PHYSOSTEGIA

False Dragonhead

GRANDIFLORA VIVID TALL TYPE. Similar in color to the well-known Grandiflora Vivid, except that this variety grows to a height of 30 inches. The flower spikes are also larger and the color a little more striking. It continues to bloom throughout the entire months of July and August. In floral arrangements this Physostegia is very outstanding. Due to its desirable color, it blends in well with other flowers, and is really a worthwhile variety.

Per 10, \$1.50; Per 100, \$10.00

GRANDIFLORA VIVID. Grows from 18-24 inches with large heads of bright violet mauve flowers. Very desirable for cutting.

Per 10, \$1.50; Per 100, \$10.00

PHYSALIS

Japanese Lantern

FRANCHETI. A big money maker that will yield more than any other outside crop. The fruits are becoming more popular each year for decorative purposes in the early fall and winter. The color of these lantern fruits is orange-vermillion and are ever-lasting after drying. Single plants produce as many as thirty lanterns that sell readily in any flower market.

Field Grown Plants

Per 10, \$1.00; Per 100, \$7.00

TRITOMA

Red Hot Poker

PFITZERI. The rich orange flowers are always in big demand on the cut flower markets. We have never known of any surplus of real good Tritomas. If grown in fairly rich soil, a plant will produce several first class quality flowers. Tritomas should be included in every planting of summer cut flowers.

Field Grown Plants, Per 10, \$1.50; Per 100, \$10
3" Pots, Per 10, \$1.50; Per 100, \$10.00

TOWER OF GOLD. This most distinctive variety gives a beautiful display in the garden where the large rich golden yellow flower trusses make an exceptionally fine showing. Vigorous, free flowering, and as fine for cutting as for garden display.

3" Pots, Per 10, \$2.00; Per 100, \$15.00

"CHARMING"—The Beautiful New Pink Buddleia
THE ONLY TRUE PINK BUDDLEIA IN EXISTENCE
 (Exceptional for Cut Flowers)

The above flowers were cut the middle of July from well established 2-inch pot plants, planted into the field the first of May.
 Develops into a beautiful bushy plant, growing to a height of 5 to 6 feet and almost the same in spread.
 Makes a very striking plant in any landscape, flowering

from the middle of June until frost. The individual flower heads are quite large and when fully developed they make a solid round head opening full length.
 2 yr. Field Grown. Per 10... **\$2.00** Per 100... **\$15.00**
 Well established 2-inch pots.
 Per 10... **\$1.75** Per 100... **\$12.00**
